

# FIBER OPTIC FRONT SIGHTS RED - NOVAK FIBER OPTIC FRONT SIGHT, RED, .150" HIGH, FITS TAURUS 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

## Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Front sight can also be used with Novak's plain, wide-notch rear. Kimber and Taurus front sights are the same height as factory sights and fit factory dovetails; no machining required.

# FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT Safety Instructions

## Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT. This product is designed to enhance your shooting experience by providing improved visibility in various lighting conditions. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of firearms before using this product.
- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and accessories to ensure they are in good working condition.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

## Specific Safety Precautions for Use

- Only use the FIBER OPTIC FRONT SIGHT with compatible firearms, specifically the Taurus 1911.
- Do not attempt to modify or alter the sight in any way, as this may compromise safety and performance.
- Ensure that the sight is securely installed before using the firearm.
- Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- If you notice any damage or malfunction, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from the Taurus 1911, if applicable.
- Align the FIBER OPTIC FRONT SIGHT with the factory dovetail.
- Securely install the sight without forcing it into place.
- Check that the sight is stable and properly aligned before use.

### 2. Usage:

- Familiarize yourself with the sight's features and how it interacts with your firearm.
- Practice aiming and shooting in a controlled environment to ensure comfort with the new sight.
- Always maintain proper shooting posture and grip when using your firearm.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the sight becomes damaged beyond repair, consult local regulations for safe disposal methods.

## Contact Information for Further Support

For any queries or concerns regarding the FIBER OPTIC FRONT SIGHT, please refer to the manufacturer's contact details provided with the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

Your safety is our top priority. By following these guidelines, you can ensure a safe and enjoyable experience with your FIBER OPTIC FRONT SIGHT. Always stay informed about product safety and updates through the appropriate channels. Thank you for your attention to these important safety instructions.
