

FIBER OPTIC FRONT SIGHTS RED - NOVAK FIBER OPTIC FRONT SIGHT, RED, .150" HIGH, FITS KIMBER 1911

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Maximizes Available Light For Fast, Low-Light Sight Acquisition

Advanced light gathering properties of fiber optic rods make maximum use of ambient light to provide a bright glow that stands out against dark backgrounds and puts you on target fast, even in low-light or high-stress situations. Fronts and rears sold separately, so you can create a custom, three-dot, fiber optic system tailored to your shooting needs. Available with red or green inserts. Front sight can also be used with Novak's plain, wide-notch rear. Kimber and Taurus front sights are the same height as factory sights and fit factory dovetails; no machining required.

FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the sight if it is damaged or malfunctioning.
- Ensure that the sight is properly installed before use.
- Avoid using the product in extreme weather conditions that could affect its performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms equipped with this sight.
- Follow all local laws and regulations regarding firearm usage and safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have the necessary tools for installation, including a screwdriver and any other required equipment.
2. **Remove Existing Sight:** Carefully remove the existing front sight from your firearm, following the manufacturer's instructions.
3. **Align the New Sight:** Position the FIBER OPTIC FRONT SIGHT in the dovetail slot, ensuring it is aligned correctly.
4. **Secure the Sight:** Tighten the sight securely using the appropriate tools, ensuring it is stable and does not move.
5. **Check Alignment:** Verify that the sight is properly aligned with the rear sight before use.

Usage

- Once the sight is installed, aim carefully and ensure the sight picture is clear.
- Adjust your shooting technique to accommodate the fiber optic sight, which enhances visibility in various lighting conditions.
- Practice regularly to become proficient with the new sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and nonbiodegradable materials.
- Do not dispose of the product in regular household waste.

- Check with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the FIBER OPTIC FRONT SIGHTS RED NOVAK FIBER OPTIC FRONT SIGHT, please refer to the contact information provided with your product packaging.

Thank you for prioritizing safety while using your new sight. Enjoy your shooting experience!
