

1911 REAR SIGHTS - NOVAK LOMOUNT SUPER WIDE NOTCH REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

No-Snag "Angle" Design; Faster Sight Picture

Competition (Comp) plain, target style, undercut blade with protected notch. Hangs over the rear of the slide and extends sight radius for quicker, more precise sighting. Lo-Mount (LM) has an angled top surface with mitered edges that won't snag on holsters or clothes. Rebated blade fights glare. Wide Notch (WN) has enlarged, .140" notch to provide more light around the front sight for a clearer sight picture and faster target acquisition. Super Wide Notch (SWN) has .170" wide notch for even faster target acquisition; helps aging eyes see the front sight more easily.

Safety Instruction Guide for 1911 Rear Sights Novak LoMount Super Wide Notch Rear Sight

Introduction

Thank you for choosing the 1911 Rear Sights Novak LoMount Super Wide Notch Rear Sight. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related accessories with care and responsibility.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Regularly inspect the rear sight for any signs of damage or wear before use.
- Store the product in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Use only compatible models: This rear sight is designed for 1911 Government, Commander, and Officers models. Ensure compatibility before installation.
- Avoid modifications: Do not attempt to modify the rear sight or firearm. Any alterations may compromise safety and functionality.
- Check for proper installation: Ensure that the rear sight is securely installed and properly aligned before use.
- Be cautious of glare: The rebated blade fights glare, but be aware of your shooting environment to avoid distractions.
- Use appropriate eye protection: Always wear safety glasses when using firearms to protect your eyes from debris and potential hazards.

Instructions for Installation and Usage

Installation

1. Prepare the Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight if applicable.

2. Milling the Slide (if applicable):

- For 1911 LoMount (LM) models, milling of the slide is required.
- Use a 65° x .495" dovetail cutter for proper fitting.

3. Install the Rear Sight:

- Align the rear sight with the dovetail on the slide.
- Gently tap the sight into place using a nonmarring tool to avoid damage.
- Ensure the sight is flush with the slide and securely positioned.

4. Check Alignment:

- Verify the alignment of the rear sight with the front sight for optimal accuracy.

Usage

- Practice regularly to become familiar with the sight picture and target acquisition.
- Adjust your shooting stance and grip as necessary to accommodate the sight's features.
- Use the wide notch to enhance visibility of the front sight for quicker target acquisition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods of firearm accessories.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Rear Sights Novak LoMount Super Wide Notch Rear Sight, please contact your local distributor or authorized dealer. They can provide assistance and information related to safety guidelines and product support.

Thank you for prioritizing safety and responsible use of your firearm accessories.
