## Change Sight Colors Instantly; Great For Touch-Up Or Changing Colors To Match Conditions

High-pigment sight paints allow the iron sight shooter to add, change or touch-up sight colors in as little as 60 minutes. Greatly improves sight acquisition, shooter focus, and helps shooters tailor their sights for competition, hunting or self defense. Coating dries flexible to resist chipping and will not fade over time. Great for adding color to new gun sights and archery sight pins, or touching up worn, or chipped sights on all types of weapons. Easy-to-use needle applicator bottle puts the exact amount of paint right where you want it – no waste and no paint brush required. Shake bottle, apply and allow 1 hour to dry. One bottle paints a lifetime of sights.

# SITE KOTE KG PRODUCTS GLOWINTHEDARK SAFETY INSTRUCTION GUIDE

## Introduction

Welcome to the safety instruction guide for SITE KOTE KG PRODUCTS GlowintheDark 1/4oz paint. This highpigment sight paint is designed to enhance the visibility of iron sights for shooters, improving focus and sight acquisition. To ensure safe and effective use of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- **Product Safety:** This product is intended for nonfood use. Ensure that it is kept out of reach of children and pets.
- **Enhanced Recalls:** Stay informed about product recalls. If you hear of a recall affecting this product, follow the instructions provided for safe disposal or return.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that all users are of appropriate age and have the necessary skills to handle it safely.
- **EU Contact Point:** For safety inquiries, consult local consumer protection authorities.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Ventilation:** Always use this product in a wellventilated area to avoid inhaling fumes.
- **Skin Contact:** Avoid direct skin contact. Wear gloves if necessary.
- **Eye Protection:** Use safety goggles to protect your eyes from splashes.
- **Inhalation Risk:** Do not inhale vapors. If you experience dizziness or respiratory issues, move to fresh air immediately.
- **Flammability:** Keep away from open flames and heat sources.
- **Storage:** Store in a cool, dry place away from direct sunlight and heat.

## Instructions for Installation and Usage

### 1. Preparation:

- Shake the bottle well before use to ensure even distribution of pigments.
- Clean the surfaces to be painted to remove any dirt or oils.

### 2. Application:

- Use the needle applicator to apply the paint precisely where needed.
- Avoid oversaturating the area; a little paint goes a long way.

### 3. Drying:

- Allow the paint to dry for at least 1 hour before handling.
- Ensure that the painted area is undisturbed during the drying process.

### 4. Cleanup:

- Clean any spills immediately with a suitable solvent.
- Dispose of any used applicators and materials according to local regulations.

## **Disposal Instructions**

- Dispose of unused paint and empty containers in accordance with local waste disposal regulations.
- Do not pour paint down the drain or into water sources.
- Contact local waste management authorities for guidance on hazardous waste disposal if necessary.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of SITE KOTE KG PRODUCTS GlowintheDark paint, please consult local consumer protection agencies or your point of purchase.

By following these guidelines, you can ensure a safe and effective experience with SITE KOTE KG PRODUCTS GlowintheDark paint. Thank you for choosing our product!
