## The Brownells/Otis Elite Universal Cleaning system for Rifle, Pistols, Shotguns and Optics.

Brownells and Otis have teamed up together to bring you the most advanced gun cleaning system on earth! From the breech to the muzzle this is the only kit that cleans and maintains all rifles, shotguns, pistols and air guns from .177 caliber to 10 gauge. It completely eliminates the need for owning multiple, separate kits because this kit truly has it all, including a complete selection of high quality Brownells/Otis Bronze cleaning brushes for every caliber and gauge individually packaged in screw-top, clear plastic protective tubes. The more than 200 individual components contained in this do-it-all, clean-it-all kit are the finest quality, most functional products available. In true, "No Compromise, Brownells Tradition," the Brownells/Otis Elite Kit is packaged in a rugged but padded nylon case that's easily stored in a day pack for trips to the range or into the field. This deluxe zippered case with carry handles includes individual internal storage pockets and elastic tabs to securely hold every item contained in the Elite Kit. Plus a single side storage pocket holds additional shooting gear. The Elite Kit also includes the Otis Tactical Kit contained in a separate, convenient, take-anywhere belt pouch for enhanced rifle cleaning while you are on the go. Cleans all rifles/pistols/shotguns/inline muzzleloaders with 100% cotton 2" & 3" patches, 3 slotted tips & 2 patch savers 16 firearm specific bronze bore brushes with size marked on brush stem (.17, .22 limited breech, .22/.223, .243-.260, .270/7mm, .30-06/.300/30-30/.308, .338-.35, .357-38 cal/9mm, .40/10mm, .44/.45, .50 cal, .410ga, 28ga, 20ga, 16ga, 12/10ga) 8", 12" and 36" aircraft grade Memory-Flex cables and thread connector for proper Breech-to-Muzzle cleaning Small & large obstruction removers knock out mud, snow, stuck casings; small t-handle & stud included for small caliber cleaning .223 cal/5.56mm chamber brush, pin punch, end brush, straight pick, locking lug scraper, scraper, short AP brush, double end AP brush and male & female rod for more precise cleaning Lens tissue, lens spray, lens brush and lens cloth for optics care Also includes microfiber gun cloth, chamber flag, (2) 0.5 fl.oz. # OTIS ELITE UNIVERSAL CLEANING SYSTEM SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the OTIS ELITE UNIVERSAL CLEANING SYSTEM. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning kit. Please read this document carefully and follow the guidelines to maintain your safety and the performance of your firearms.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the cleaning area is wellventilated and free from flammable materials.
- Keep the cleaning kit out of reach of children and unauthorized users.
- Inspect all components of the cleaning kit for damage before use.
- Use the cleaning system only for its intended purpose: cleaning firearms.
- Store the cleaning kit in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris during cleaning.
- Avoid using excessive force when cleaning to prevent damage to your firearms or the cleaning tools.
- Do not use the cleaning kit on firearms that are loaded or have ammunition present.
- Always check that the firearm is unloaded before beginning the cleaning process.
- Dispose of used cleaning patches and materials responsibly to avoid environmental harm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and the safety is engaged.
- Gather all necessary components from the OTIS ELITE cleaning kit.

### 2. Cleaning Process:

- Select the appropriate cleaning brush for your firearm caliber.
- Attach the cleaning brush to the MemoryFlex cable.
- Insert the cable into the barrel from the breech end, ensuring it is aligned properly.
- Use a backandforth motion to clean the bore, avoiding excessive pressure.
- Follow up with a cleaning patch soaked in the appropriate solvent.
- Repeat the process until the patches come out clean.
- Use the lens tissue and spray to clean optics, if applicable.

### 3. PostCleaning:

- Wipe down the exterior of the firearm with a microfiber gun cloth.
- Apply lubricant as needed to moving parts.
- Store the cleaning kit in its designated case for protection.

## Disposal Instructions

- Dispose of used cleaning patches and materials in accordance with local regulations.
- Do not dispose of cleaning solvents or chemicals down the drain. Follow local hazardous waste disposal

guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the OTIS ELITE UNIVERSAL CLEANING SYSTEM, please refer to the contact information provided in the product packaging or visit the official website of the manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your OTIS ELITE UNIVERSAL CLEANING SYSTEM. Thank you for your attention to these important guidelines.
