PATCH & OIL RELOAD KIT Consumer Safety Instruction Guide

Introduction

Thank you for choosing the PATCH & OIL RELOAD KIT by OTIS. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to follow these guidelines to avoid potential hazards and ensure the longevity of your cleaning kit.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight.
- Ensure proper ventilation when using cleaning products.
- Do not use the product in a manner inconsistent with its intended purpose.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest the bore cleaner. If swallowed, seek medical attention immediately.
- Use gloves to avoid skin irritation when handling the bore cleaner.
- Ensure that the area is wellventilated during use to prevent inhalation of fumes.
- Dispose of used cleaning patches and tubes responsibly to avoid environmental harm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary items including the bore cleaner, cleaning patches, and any additional tools required for cleaning your firearm.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning the cleaning process.

2. Using the Bore Cleaner:

- Open one of the 0.5 oz. squeeze tubes of 085 bore cleaner.
- Apply a small amount of bore cleaner to the cleaning patch.
- Insert the cleaning patch into the cleaning system as directed by the Otis cleaning system instructions.

3. Cleaning Process:

- Use the cleaning patch to wipe down the interior of the barrel, ensuring you cover all areas.
- Allow the bore cleaner to sit for a few minutes to penetrate and loosen fouling.
- Follow up with a dry cleaning patch to remove excess cleaner and fouling.

4. PostCleaning:

- Inspect the firearm to ensure it is clean and free of any residue.
- Store the bore cleaner and cleaning patches in a safe location after use.

Disposal Instructions

- Dispose of empty tubes and used cleaning patches in accordance with local waste disposal regulations.
- Do not dispose of the bore cleaner in drains or water sources.
- Check for local recycling programs that accept such materials.

Contact Information for Further Support

For any questions or concerns regarding the PATCH & OIL RELOAD KIT, please refer to the manufacturer's contact details provided in the product packaging or on the manufacturer's website.

By adhering to these safety instructions, you can ensure a safe and effective experience while using the PATCH & OIL RELOAD KIT. Thank you for your attention to these important guidelines.
