

RIPCORDS - OTIS .243/6MM CALIBER RIPCORD

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

This convenient tool cleans from Breech-to-Muzzle in one quick and easy pass. The molded rubberized core and Nomex® fibers together create an effective way to trap and remove fouling. Available in .223 cal/5.56mm, .308cal/7.62mm, 9mm, .45 cal, and .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, 12 gauge. Heat Resistant Outer Layer Made of heat resistant synthetic fibers (Nomex®); the same material used in the protective gear trusted by firefighters, racecar drivers, and the U.S. Military. Heat resistant up to 700° F so you can be sure this cleaning product won't melt in your barrel. Rigid, durable materials trap fouling better than nylon products Nomex® acts as both a brush to loosen and a patch to capture fouling particles Molded Rubberized Core Keeps the Nomex® cleaning surface pressed against the bore ensuring an aggressive 360° clean. Helix shape engages the rifling through the length of the barrel Threaded Ends Coated solid brass won't scratch or damage the bore Safe for all firearms 8-32 standard threads to accommodate additional cleaning components, if desired Safe obstruction removal for jammed cases and other blockages Smart Gun Care For proper cleaning, insert the longer, narrower end in the chamber and feed out the muzzle. Pull through from Breech-to-Muzzle®. Repeat as needed. Use only for caliber specified.

Attributes

- Name: [OTIS .243/6MM CALIBER RIPCORD](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000138
- Mfr. No.: FG-RC-243

Safety Instructions for RIPCORDS OTIS .243/6MM CALIBER RIPCORD

Introduction

Thank you for choosing the RIPCORDS OTIS .243/6MM CALIBER RIPCORD. This innovative cleaning tool is designed to provide an efficient and effective way to clean your firearm. To ensure safe and proper use, please read and follow the guidelines outlined in this safety instruction manual.

General Safety Guidelines

- Ensure safe use by following all instructions provided.
- Always treat every firearm as if it is loaded.
- Keep the cleaning tool out of reach of children and vulnerable individuals.
- Use the product only for the specified caliber.
- Store the tool in a cool, dry place when not in use.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the RIPCORD in a confined space without proper ventilation.
- Do not use the cleaning tool if it shows signs of damage or wear.
- Always wear safety glasses when cleaning firearms to protect your eyes from debris.
- Ensure that the firearm is unloaded before cleaning.
- Follow the instructions for proper cleaning to avoid damaging the firearm.
- Do not force the RIPCORD through the barrel; it should move smoothly.
- Keep fingers away from the muzzle when using the RIPCORD.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies.

2. Using the RIPCORD:

- Insert the longer, narrower end of the RIPCORD into the chamber of the firearm.
- Gently feed the RIPCORD out through the muzzle.
- Pull the RIPCORD through the barrel from BreechtoMuzzle®.
- Repeat the process as needed to ensure thorough cleaning.

3. PostCleaning:

- After use, inspect the RIPCORD for any signs of wear or damage.
- Clean the RIPCORD according to the manufacturer's instructions if necessary.
- Store the RIPCORD in a safe place away from children.

Disposal Instructions

- Dispose of the RIPCORD in accordance with local regulations.
- Do not dispose of the product in household waste if it contains hazardous materials.

- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RIPCORDS OTIS .243/6MM CALIBER RIPCORD, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your RIPCORDS OTIS .243/6MM CALIBER RIPCORD. Thank you for prioritizing safety!
