

# O85® CLP - OTIS O85® CLP 4OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Solvents](#)

O85 CLP is our most time-tested formula, with over 30 years of proven performance in cleaning, lubricating and protecting firearms. But don't let old age fool you. O85 CLP uses advanced engineering to penetrate tight spaces and create a thin film that stops rust and corrosion for long-lasting protection. Cleans, lubricates and protects in one advanced formula Removes carbon, powder residue and fouling from metal surfaces Penetrates into tight areas to reduce surface friction A thin film seals out moisture to prevent rust and corrosion Instructions Apply to metal surfaces to be cleaned, lubricated or protected. For bore cleaning, use a patch or brush to remove fouling. Remove excess O85 using a dry cloth or patch.

# O85® CLP OTIS Safety Instruction Guide

## Introduction

O85 CLP is a highperformance cleaning, lubricating, and protecting solution for firearms. With over 30 years of proven effectiveness, this product is designed to penetrate tight spaces and provide longlasting protection against rust and corrosion. This safety instruction guide is designed to ensure the safe use of O85 CLP in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and follow the instructions on the product label.
- Keep this product out of reach of children and pets.
- Use in wellventilated areas to avoid inhalation of vapors.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of product and its container in accordance with local regulations.

## Specific Safety Precautions for Use

- Ensure that the area where O85 CLP is used is wellventilated.
- Wear protective gloves and safety goggles when handling the product.
- Do not use near open flames or sparks as the product is flammable.
- Avoid using on surfaces that may come into contact with food or beverages.
- Test on a small, inconspicuous area before applying to ensure compatibility with surfaces.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm or metal surface is cool and free of dirt and debris.

### 2. Application:

- Shake the O85 CLP bottle well before use.
- Apply a small amount of O85 CLP to a clean cloth, patch, or brush.
- For bore cleaning, use a patch or brush to remove fouling.
- Wipe down metal surfaces to clean, lubricate, and protect.

### 3. PostApplication:

- Remove any excess O85 CLP using a dry cloth or patch.
- Allow the product to dry completely before using the firearm.

## Disposal Instructions

- Dispose of the product and its container in accordance with local regulations.
- Do not dispose of in household waste. Check for local hazardous waste disposal options.
- Ensure that the product is completely emptied before disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of O85 CLP, please refer to the product packaging for contact details. It is important to stay informed about safety updates and potential recalls. Regularly check the EU's Safety Gate platform for any relevant information regarding product safety.

By following these guidelines, you can ensure the safe use of O85 CLP while maximizing its performance in cleaning, lubricating, and protecting your firearms. Always prioritize safety and stay informed.
