GALIL 20ROUND MAGAZINE .308 Safety Instruction Guide

Introduction

Thank you for choosing the GALIL 20Round Magazine .308. This guide provides important safety information and instructions for the proper use and maintenance of your magazine. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always treat the magazine as if it is loaded, even when it is not.
- Store the magazine in a safe place, out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of wear or damage.
- Do not modify the magazine in any way, as this may compromise its safety and functionality.
- Follow all local laws and regulations regarding the use and storage of firearm magazines.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm model before use.
- Use only the recommended cartridges (308 Winchester) with this magazine.
- Do not exceed the magazine's capacity of 20 rounds.
- Avoid using the magazine in extreme conditions that may affect its performance, such as excessive heat or moisture.
- Do not attempt to disassemble the magazine unless specifically instructed to do so.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into place until it clicks securely.

2. Usage:

- Load the magazine by inserting cartridges into the magazine body, ensuring they are seated properly.
- When ready to fire, insert the magazine into the firearm and chamber a round.
- After firing, follow proper firearm safety protocols for unloading and storing the firearm.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding hazardous materials.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow local guidelines for disposal.

Contact Information for Further Support

For safety inquiries or additional support, please contact the manufacturer or refer to the product's official website for further assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
