## HI-POINT 995/995TS CARBINE MAGAZINE 15-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

### An Extended Magazine Built for Your Hi-Point Carbine

One of the most affordable pistol-caliber carbines on the market today is the lineup available from Hi-Point Firearms, particularly in the form of its 9mm 995 model. These simple, blowback firearms provide plenty of range fun, but one limiting factor preventing more trigger time is the relatively low capacity of the company's magazine. This extended Hi-Point 995/995TS Carbine steel magazine allows you to get more trigger time out of each loaded magazine. Each of these Hi-Point Carbine steel magazines are made from heat-treated carbon steel, which is then finished with a black-oxide treatment that prevents corrosion and adds durability to these affordable mags. To ensure reliable feeding, the magazines feature a spring made from heat-treated chrome-silicon wire, and that's topped by an injection-molded magazine follower. These Hi-Point Carbine steel magazines are designed for use with the company's 9mm guns only and feature an injection-molded grip sleeve to enhance the ergonomics of the platform. The magazine is made in the USA and holds up to 15 rounds.

### Attributes

- Name: [PRO MAG HI-POINT 995/995TS CARBINE MAGAZINE 15-RD STEEL BLUE 9MM](#)

# HIPOINT 995/995TS CARBINE STEEL MAGAZINE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HIPOINT 995/995TS Carbine Steel Magazine. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand the proper use, potential hazards, and safety precautions associated with your magazine.

## General Safety Guidelines

To ensure safe use of the HIPOINT 995/995TS Carbine Steel Magazine, please follow these general safety guidelines:

- Always treat your firearm and magazine as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store the magazine and firearm in a secure location, out of reach of children and unauthorized users.
- Use only the specified ammunition for your magazine (9mm Luger).
- Regularly inspect your magazine for any signs of damage or wear before use.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm and ammunition storage and usage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

When using the HIPOINT 995/995TS Carbine Steel Magazine, please observe the following safety precautions:

- Ensure the firearm is pointed in a safe direction at all times.
- Do not exceed the magazine's capacity of 15 rounds.
- Avoid using the magazine in extreme temperatures or conditions that may affect its performance.
- Do not modify the magazine or attempt to repair it yourself.
- Ensure that the magazine is properly seated in the firearm before use.
- If the magazine fails to feed or eject ammunition properly, stop using it immediately and seek assistance.

## Instructions for Installation and Usage

To install and use the HIPOINT 995/995TS Carbine Steel Magazine, follow these steps:

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.
- Verify that the magazine is securely attached by gently pulling on it.

### 2. Usage:

- Load the magazine with 9mm Luger ammunition, ensuring not to exceed the 15round capacity.
- Insert the loaded magazine into the firearm as described in the installation section.
- Check that the magazine is properly seated and ready for use.
- Follow standard firearm operation procedures to fire the weapon.

### 3. Unloading:

- To unload the magazine, remove it from the firearm by pressing the magazine release button.
- Carefully remove any remaining ammunition from the magazine.
- Store the magazine safely when not in use.

## **Disposal Instructions**

When the HIPOINT 995/995TS Carbine Steel Magazine reaches the end of its life or is no longer usable, please follow these disposal instructions:

- Do not dispose of the magazine in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods for firearms accessories.
- Consider recycling the metal components if applicable, following local recycling regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the HIPOINT 995/995TS Carbine Steel Magazine, please refer to the manufacturer's official website or your point of purchase for customer support.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your HIPOINT 995/995TS Carbine Steel Magazine. Thank you for prioritizing safety.
