

RUGER LC9® STEEL MAGAZINES 9MM - PRO MAG RUGER LC9® MAGAZINE 10-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

A Pair of Ruger LC9 Magazines for Range and CCW Use

One of the more affordable options in the single-stack, 9mm, concealed-carry gun market is the Ruger LC9, which makes it a popular option for those looking for a slim, affordable, easy-to-carry pistol for self-defense. However, like any other guns, getting to the range with this carry pistol is a must, and these extended steel magazines make practice easier and also allow for a ready backup magazine. The Ruger LC9 steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Ruger LC9 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 7-round and a 10-round capacity and are made in the USA.

RUGER LC9® STEEL MAGAZINES 9MM Safety Instruction Guide

Introduction

Thank you for choosing the RUGER LC9® Steel Magazines. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazines. Please read all instructions carefully before use to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always treat all firearms and magazines as if they are loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store magazines and firearms in a secure place, away from children and unauthorized users.
- Regularly inspect your magazines for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Misloading: Ensure that only 9mm cartridges are used with the Ruger LC9® steel magazines.
- Corrosion: Keep magazines dry and clean to avoid corrosion.
- Damage: Do not use magazines that show signs of damage or excessive wear.

• Avoiding Hazards:

- Always load magazines in a safe environment, away from the body and others.
- Inspect the magazine before each use to ensure it is free from obstructions.
- Do not attempt to disassemble the magazine unless you are trained to do so.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and trained in safe firearm handling.

Instructions for Installation and Usage

• Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the Ruger LC9®.
- Push the magazine firmly into place until you hear a click, indicating it is secured.

• Usage:

- Load the magazine with 9mm cartridges, ensuring they are correctly oriented.
- Insert the loaded magazine into the firearm.
- Always check that the magazine is securely locked in place before handling the firearm.
- When finished, remove the magazine by pressing the magazine release button.

Disposal Instructions

- Dispose of used or damaged magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the official manufacturer's contact points or visit the EU's Safety Gate platform for updates and alerts.

Thank you for prioritizing safety and responsible usage. Enjoy your RUGER LC9® Steel Magazines responsibly!
