

SCCY CPX-1/CPX-2 STEEL MAGAZINES 9MM - PRO MAG SCCY CPX-1/CPX-2 MAGAZINE 15-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Extended Magazine for Your SCCY Handguns

Thanks to their affordable construction and compact size, SCCY's line of handguns have become popular for concealed-carry use, leading to a need for aftermarket magazines to serve as back-up option for concealed carry as well as for more trigger time at the range. These two all-steel magazines provide that to owners of the company's CPX-1 and CPX-2 handguns. The SCCY CPX-1/CPX-2 steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each SCCY CPX-1/CPX-2 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 15-round and a 32-round capacity and are made in the USA.

SCCY CPX1/CPX2 Steel Magazines Safety Instruction Guide

Introduction

Thank you for choosing the SCCY CPX1/CPX2 Steel Magazines. These magazines are designed for use with your SCCY CPX1 and CPX2 handguns, providing reliable performance for your 9mm cartridges. This safety instruction guide is intended to help you understand how to use and care for your magazines safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operating manual of your SCCY handgun before using the magazines.
- Always treat firearms and ammunition with respect and caution.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazines for signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Use only 9mm Luger cartridges with the SCCY CPX1/CPX2 steel magazines.
- Do not attempt to modify or alter the magazines in any way.
- Never load more ammunition than the magazine's specified capacity (15 rounds).
- Ensure that the magazine is properly seated in the handgun before firing.
- Avoid exposing magazines to extreme temperatures or moisture to prevent corrosion.
- If you experience any malfunctions while using the magazine, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Loading the Magazine

- Hold the magazine with the base facing down and the feed lips facing up.
- Insert the first cartridge into the magazine by placing it at the rear of the magazine and pushing it down until it clicks into place.
- Continue loading cartridges one at a time until you reach the magazine's capacity of 15 rounds.
- Ensure that each cartridge is securely seated in the magazine.

2. Installing the Magazine in the Handgun

- With the handgun pointed in a safe direction, ensure that the chamber is clear and the firearm is unloaded.
- Align the magazine with the magazine well of the handgun.
- Push the magazine firmly into the magazine well until it clicks into place.

3. Removing the Magazine

- To remove the magazine, press the magazine release button located on the handgun.
- Grasp the magazine and pull it straight out of the magazine well.

4. Handling and Maintenance

- After use, clean the magazine with a soft cloth to remove dirt and debris.
- Inspect the magazine for any signs of wear or damage.
- Store the magazine in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- If the magazine is no longer usable, consider recycling the steel material if possible.
- Do not dispose of magazines in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding your SCCY CPX1/CPX2 steel magazines, please refer to the manufacturer's website or contact your local authorized dealer for assistance.

This safety instruction guide is designed to ensure your safety and the proper use of your SCCY CPX1/CPX2 steel magazines. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for your attention to these important guidelines.
