

# RECOIL PAD GRINDING TEMPLATE - PACHMAYR RECOIL PAD GRINDING TEMPLATE

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Recoil Pad Tools](#)

## Prevents Grinding Into Steel Reinforcement Plates

Brass templates lets you know where the steel reinforcement plates are in all closed-side Pachmayr recoil pads to keep you from cutting into them when shaping a recoil pad. Place the template behind the new pad and visibly check the amount of clearance left while shaping. Set of four templates work with small, medium, large, and large magnum recoil pads.

## Attributes

- Name: [PACHMAYR RECOIL PAD GRINDING TEMPLATE](#)
- Manufacturer: [PACHMAYR](#)

# Safety Instruction Guide for RECOIL PAD GRINDING TEMPLATE PACHMAYR

## Introduction

Thank you for choosing the RECOIL PAD GRINDING TEMPLATE PACHMAYR. This guide provides essential safety information to ensure the safe use of the product. Please read this document carefully before using the templates.

## General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Always inspect the templates for damage before use. Do not use if any template is broken or worn.
- Keep the templates out of reach of children and vulnerable individuals.
- Use the templates only for their intended purpose: to assist in shaping Pachmayr recoil pads.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the templates, ensure that your workspace is clean and free of hazards.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves to protect yourself from debris and sharp edges.
- Be cautious when handling tools and equipment during the shaping process to avoid injury.
- Avoid cutting into the steel reinforcement plates of the recoil pads by ensuring the templates are correctly positioned.
- Do not exceed the recommended pressure when shaping the recoil pads to prevent accidents or damage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the RECOIL PAD GRINDING TEMPLATE and the new recoil pad.
- Ensure your work area is welllit and organized.

### 2. Using the Template

- Place the brass template behind the new recoil pad.
- Check the amount of clearance left around the template to ensure you do not cut into the steel reinforcement plates.
- Secure the recoil pad in place if necessary to prevent movement during shaping.

### 3. Shaping the Recoil Pad

- Use appropriate tools to shape the recoil pad while constantly checking the alignment with the template.
- Take your time to ensure accuracy and avoid rushing through the process.

### 4. Final Inspection

- After shaping, inspect the recoil pad to ensure it meets your desired specifications and that no damage has occurred to the steel reinforcement plates.

## **Disposal Instructions**

- Dispose of any damaged templates and recoil pads in accordance with local waste disposal regulations.
- Recycle materials where possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RECOIL PAD GRINDING TEMPLATE PACHMAYR, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product.

Thank you for your attention to these safety instructions. Enjoy using your RECOIL PAD GRINDING TEMPLATE PACHMAYR responsibly and safely.
