# D752 DECELERATOR RECOIL PAD SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the D752 Decelerator Recoil Pad by Pachmayr. This product is designed to enhance your shooting experience by providing comfort and reducing recoil. Please read this safety instruction guide carefully to ensure safe and effective use of the recoil pad.

## General Safety Guidelines

- Always inspect the recoil pad before each use. Check for any signs of wear or damage.
- Ensure the recoil pad is correctly installed and securely attached to your firearm.
- Use the recoil pad only for its intended purpose. It is designed for use with firearms and should not be used for any other applications.
- Keep the recoil pad out of reach of children and vulnerable individuals to prevent accidents.
- In case of any accidents or unsafe incidents, report them to the appropriate authorities immediately.
- Stay informed about product recalls. Check the EU's Safety Gate platform for any updates regarding this product.

## Specific Safety Precautions for Use

- Do not use the recoil pad if it is damaged or worn out, as it may not provide adequate protection against recoil.
- Ensure that the firearm is unloaded before installing or adjusting the recoil pad.
- Use the recoil pad only with compatible firearms. Consult the manufacturer's guidelines if unsure.
- Avoid using the recoil pad in extreme weather conditions that may affect its performance, such as excessive heat or moisture.
- Maintain a safe distance from others while using the firearm equipped with the recoil pad.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Remove any existing recoil pad from the firearm if applicable.
- Align the D752 Decelerator Recoil Pad with the stock of the firearm.
- Securely fasten the recoil pad using the provided screws or attachment method, ensuring it is snug and stable.
- Doublecheck that the pad is properly installed and does not move.

### 2. Usage

- When ready to shoot, ensure your stance is stable and your grip is secure.
- Position the firearm against your shoulder with the recoil pad making contact.
- Maintain focus on your target and follow standard shooting safety practices.
- After use, inspect the recoil pad for any signs of wear or damage.

## Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations.
- If the recoil pad is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the recoil pad in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the D752 Decelerator Recoil Pad or safety concerns, please refer to the appropriate EU-based contact point or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the D752 Decelerator Recoil Pad!
