[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Improve Your Rifle's Life

There are many nooks and crannies found inside the popular AR-15 platform that require a little extra attention, lubrication-wise. These areas benefit greatly from an application of Hoppe's Black Gun Grease Syringe. The Hoppe's Black Gun Grease Syringe ensures that all of the friction-bearing surfaces on the inside of your rifle, shotgun or pistol are absolutely covered, thanks to the unique design of the company's gun grease. Available in 12cc syringe Works in temperatures ranging from -65-540 degrees Fahrenheit Constructed from synthetic polymer The Hoppe's Black Gun Grease Syringe includes a precision-application tip that allows for accurately placed grease in the areas that need it most.

BLACK GUN GREASE SYRINGE HOPPE'S BLACK GUN GREASE SYRINGE, 12CC Safety Instructions Guide

Introduction

Thank you for choosing the Hoppe's Black Gun Grease Syringe, 12cc. This product is designed to provide optimal lubrication for various firearms, including rifles, shotguns, and pistols. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before applying any lubricant.
- Store the grease syringe in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Use the product only as intended and according to the instructions provided.

Specific Safety Precautions for Use

- Ensure that the syringe tip is clean and free from debris before use.
- Apply grease only to the frictionbearing surfaces of your firearm.
- Avoid overapplication, as excess grease can attract dirt and debris.
- Do not use the grease syringe in temperatures outside the specified range of 65 to 540 degrees Fahrenheit.
- If you notice any unusual reactions or effects while using the product, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is completely unloaded and safe to work on.
- Gather all necessary tools and materials before starting the application process.

2. Application

- Remove the cap from the Hoppe's Black Gun Grease Syringe.
- Hold the syringe upright and gently squeeze the plunger to dispense a small amount of grease onto the precision application tip.
- Carefully apply the grease to the areas that require lubrication, ensuring even coverage.
- Replace the cap securely after use to prevent contamination.

3. PostApplication

- Wipe away any excess grease to avoid attracting dirt and debris.
- Store the syringe in a safe location, away from children and pets.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local hazardous waste disposal options.
- Ensure that the syringe is properly sealed to prevent leakage during disposal.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the effective and safe use of the Hoppe's Black Gun Grease Syringe. Always prioritize safety and consult professionals if you have any doubts or concerns regarding the use of this product. Thank you for your attention to these guidelines.
