# Safety Instruction Guide for HOPPES .30 Rifle Bore Brush

## Introduction

Thank you for choosing the HOPPES .30 Rifle Bore Brush. This product is designed to help you maintain your firearm effectively. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the bore brush is only used for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and maintenance of firearms.
- Always use personal protective equipment (PPE) such as safety glasses when cleaning firearms.

## Specific Safety Precautions for Use

- Use the bore brush only with firearms that are compatible with the .30 caliber specification.
- Ensure that the firearm is unloaded before beginning any cleaning procedures.
- Avoid using excessive force when using the bore brush to prevent damage to the firearm.
- Be cautious of sharp edges or small parts that may pose a risk of injury during use.
- Do not use the bore brush on firearms that are not designed for cleaning with this type of tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

### 2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the 832 thread (for Handgun and Rifle) or 5/16"27 thread (for Shotgun).
- Ensure a secure fit to prevent the brush from detaching during use.

### 3. Usage:

- Insert the bore brush into the firearm's barrel from the chamber end.
- Gently push the brush through the barrel, applying moderate pressure.
- Pull the brush back through the barrel to remove fouling and debris.
- Repeat this process as necessary, but do not exceed recommended cleaning cycles to avoid barrel wear.

### 4. PostUse:

- Clean the bore brush after use to remove any residue or debris.
- Store the bore brush in a safe and dry location away from children.

## **Disposal Instructions**

- Dispose of the bore brush responsibly in accordance with local waste management regulations.
- Do not dispose of the bore brush in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your HOPPES .30 Rifle Bore Brush. Always prioritize safety and proper handling when maintaining your firearms. Thank you for your attention to these important guidelines.
