Safety Instruction Guide for RIFLE & SHOTGUN BORE BRUSHES HOPPE'S 10MM HANDGUN BORE BRUSH

Introduction

Thank you for choosing the RIFLE & SHOTGUN BORE BRUSHES HOPPE'S 10MM HANDGUN BORE BRUSH. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before use to familiarize yourself with the product and its safety features.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always store the bore brush in a safe place, out of the reach of children and pets.
- Inspect the bore brush before each use for any signs of wear or damage. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves when cleaning firearms.
- Follow all local laws and regulations regarding the use and cleaning of firearms.

Specific Safety Precautions for Use

- Phosphor bronze bristles are designed to clean firearm bores effectively; however, excessive force can damage the bore.
- Do not use the bore brush on firearms that are loaded. Always ensure the firearm is unloaded before cleaning.
- Avoid using the bore brush on other surfaces or materials that may be damaged by the bristles.
- Use the correct thread size for your firearm:
 - Handgun (H/G) and Rifle (R) are 832 thread.
 - Shotgun (S/G) are 5/16"27 thread.
- Keep the bore brush away from open flames and high temperatures to prevent damage to the bristles.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Installation:

- Select the appropriate bore brush based on the caliber of your firearm (40/10 mm).
- Attach the bore brush to the cleaning rod by screwing it onto the rod's threaded end.

3. Usage:

- Apply cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's bore gently.
- Use a smooth, inandout motion to clean the bore, ensuring not to force the brush.
- Repeat the process as necessary until the bore is clean.
- After use, clean the bore brush with solvent and store it in a dry place.

Disposal Instructions

- Dispose of the bore brush responsibly, in accordance with local regulations.
- If the bore brush is damaged or worn out, consider recycling it if possible.
- Do not dispose of the bore brush in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of the RIFLE & SHOTGUN BORE BRUSHES HOPPES 10MM HANDGUN BORE BRUSH. Thank you for prioritizing safety and responsible firearm maintenance.
