Safety Instruction Guide for HOPPES Handgun & Shotgun Cotton Cleaning Swabs

Introduction

Thank you for choosing HOPPES Handgun & Shotgun Cotton Cleaning Swabs. These cleaning swabs are designed to help you maintain your firearms effectively. This guide provides important safety information and instructions to ensure safe and effective use of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Keep cleaning swabs out of reach of children and vulnerable individuals.
- Inspect the cleaning swabs before use. Do not use if damaged or defective.
- Use in a wellventilated area to avoid inhalation of any cleaning agents.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

• Potential Hazards:

- Inhalation of fibers or cleaning agents.
- Accidental ingestion by children or pets.
- Improper use leading to firearm damage or malfunction.

• Avoiding Hazards:

- Never use cleaning swabs for purposes other than firearm maintenance.
- Ensure that firearms are unloaded before cleaning.
- Do not leave cleaning swabs unattended around children or pets.
- Use appropriate personal protective equipment (PPE) such as gloves if using solvents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including cleaning swabs, cleaning solvent, and a cleaning rod.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Using the Cleaning Swabs:

- Attach the appropriate cleaning swab to your cleaning rod.
 - Handgun (H/G) and Rifle (R) swabs have an 832 thread.
 - Shotgun (S/G) swabs have a 5/16"27 thread.
- Apply a small amount of cleaning solvent to the swab.
- Insert the swab into the barrel of the firearm.
- Move the swab back and forth gently to remove fouling and deposits.
- Remove the swab and inspect it for residue. Repeat if necessary.

3. PostCleaning:

- Dispose of used cleaning swabs in accordance with local regulations.

- Store unused swabs in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used cleaning swabs in accordance with local waste management regulations.
- Do not incinerate or compost cleaning swabs.
- If the swabs are contaminated with cleaning solvents, follow specific disposal instructions for hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please reach out to the designated EU contact point provided with your purchase.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your firearms. Always prioritize safety and stay informed about best practices for firearm maintenance. Thank you for choosing HOPPES products.
