

SERIES I STONING FIXTURE - POWER CUSTOM HP ADAPTER, FITS BROWNING HIGH POWER

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM HP ADAPTER, FITS BROWNING HIGH POWER

Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM HP ADAPTER. This product is designed to provide a reliable and efficient method for stoning various firearms. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before each use.
- Always use the product in a wellventilated area.
- Follow the manufacturer's instructions for all assembly and usage.
- Be aware of your surroundings and ensure that no unauthorized individuals are present when using the product.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the stoning fixture.
- Ensure that the firearm is unloaded and in a safe condition before mounting any components.
- Avoid placing hands or fingers near moving parts during operation.
- Do not exceed the recommended stoning angles or adjustments as specified in the instructions.
- Keep all tools and accessories organized and secure to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones, which are not included.
- Ensure you have a clean and organized workspace.

2. Mounting the Adapter:

- Select the appropriate adapter for your specific firearm model.
- Securely mount the hammer or trigger/sear onto the adapter.
- Set and lock the adapter at the correct index mark as instructed.

3. Setting the Stoning Angle:

- Adjust the stoning angle by counting the specified "clicks" to raise or lower the elevator and stoning guide.
- Lock the guide in place once the desired angle is achieved.

4. Stoning Process:

- Place the stone on both the roller and the hammer or trigger/sear.
- Carefully stone the component as per normal procedures.
- Monitor the progress closely to ensure the desired trigger pull weight is achieved.

5. PostUsage:

- After use, clean the fixture and store it in a safe location.
- Regularly check the fixture and adapters for wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety or use of this product, please refer to the manufacturer's contact information provided with your purchase or on the official website.

By adhering to these safety instructions, you will help ensure a safe and effective use of the SERIES I STONING FIXTURE POWER CUSTOM HP ADAPTER. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
