

SERIES I STONING FIXTURE - POWER CUSTOM K,L,N ADAPTER, FITS SMITH & WESSON K, L, N

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Ultimate For Hammer & Sear Work; Accurate, Repeatable Setup

Save time and money by providing repeatable setup, accurate, measurable adjustments and suitability for many guns. The complete fixtures includes an adapter for the specific gun listed. Purchase more adapters separately for other guns; many jigs combined in one fixture! To use, mount hammer or trigger/sear on adapter, set and lock at correct index mark as instructed. Set stoning angle by counting "clicks" specified to raise or lower elevator and stoning guide. Lock guide, place stone on both roller and hammer or trigger/sear, and stone as normal. Easily adjustable to allow variations in stoning angle for exact, desired trigger pull weight. Same tool Ron Power uses in his own shop. Complete with one adapter and very detailed instructions written by Ron. You will also need a #10 Machinist's Clamp and 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones (listed elsewhere). ab

Safety Instruction Guide for SERIES I STONING FIXTURE POWER CUSTOM K, L, N ADAPTER

Introduction

Thank you for choosing the SERIES I STONING FIXTURE POWER CUSTOM K, L, N ADAPTER. This product is designed to enhance your gun maintenance experience by providing a safe, efficient, and repeatable setup for stoning various gun components. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always follow the manufacturer's instructions for setup and operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the stoning fixture.
- Ensure the fixture is securely mounted to prevent movement during use.
- Avoid direct contact with moving parts while the tool is in operation.
- Do not exceed the recommended stoning angles or adjustments as specified in the instructions.
- Use only the recommended stones and clamps to ensure compatibility and safety.
- Never leave the fixture unattended while in use.

Instructions for Installation and Usage

1. Mounting the Fixture

- Select a stable work surface that can support the weight of the fixture.
- Use a #10 Machinist's Clamp to securely attach the stoning fixture to the work surface.

2. Setting Up the Adapter

- Choose the appropriate adapter for the specific gun model (K, L, or N Frame).
- Mount the hammer or trigger/sear onto the adapter.
- Set and lock the adapter at the correct index mark as per the instructions provided.

3. Adjusting the Stoning Angle

- Count the “clicks” specified in the instructions to raise or lower the elevator and stoning guide.
- Lock the guide in place once the desired angle is achieved.

4. Stoning Process

- Place the stone on both the roller and the hammer or trigger/sear.
- Proceed with the stoning as normal, ensuring consistent pressure and movement.
- Adjust the stoning angle as necessary to achieve the desired trigger pull weight.

5. Completion and Cleanup

- After use, carefully disassemble the fixture and clean all components.
- Store the fixture and any adapters in a safe, dry place away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that any worn or damaged components are discarded properly to prevent accidents.
- Recycle materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the use of the SERIES I STONING FIXTURE POWER CUSTOM K, L, N ADAPTER, please consult the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your stoning fixture. Thank you for prioritizing safety in your gun maintenance practices.
