Safety Instruction Guide for SERIES II Stoning Fixture Power Custom AR15 Adapter Only

Introduction

Thank you for choosing the SERIES II Stoning Fixture Power Custom AR15 Adapter. This product is designed to help you achieve a precise and repeatable trigger pull on your AR15 firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your AR15 firearm before using this product.
- Always follow local laws and regulations regarding firearm safety and usage.
- Keep the product out of reach of children and unauthorized users.
- Inspect the adapter and related components for any signs of damage before each use.
- Use the product only for its intended purpose as described in this guide.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Ensure the firearm is unloaded and the safety is engaged before attaching or using the adapter.
- Do not attempt to modify the adapter or use it in a manner not specified in this guide.
- Be aware of your surroundings and ensure that no one is in the vicinity when using the stoning fixture.
- If you experience any issues or irregularities while using the product, discontinue use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the necessary tools, including the three Allen wrenches provided.
- Select the appropriate adapter based on the diameter of your hammer and trigger pins (.154" or .173").

2. Installation:

- Attach the selected adapter to the precision ground indexing elevator column.
- Clamp the hammer securely in the right position using the hammer and sear clamp provided.
- Adjust the hammer angle as needed to meet your specific requirements.

3. Using the Stoning Fixture:

- With the hammer clamped in position, use the Series II India Stone or Series II Hard Arkansas Stone to achieve the desired trigger pull.
- Make sure to follow the manufacturer's instructions for the stone being used for optimal results.

4. PostUse:

- After completing your work, carefully remove the adapter and clean any debris from the fixture.
- Store the fixture and all components in a safe and dry location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- If the product is no longer functional or needed, consider recycling any metal components where possible.

Contact Information for Further Support

For any questions or concerns regarding the SERIES II Stoning Fixture Power Custom AR15 Adapter, please consult the manufacturer or your local firearms expert.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SERIES II Stoning Fixture Power Custom AR15 Adapter. Always prioritize safety and responsible firearm handling in all your activities. Thank you for your attention to these important safety considerations.
