# SIG SAUER 320 9MM FULL SIZE RECOIL SPRING Safety Instructions

## Introduction

Thank you for choosing the SIG SAUER 320 9MM Full Size Recoil Spring. This product is designed specifically for the P320 model, ensuring optimal performance and reliability. To ensure your safety and proper use of this product, please read and follow the instructions provided in this guide carefully.

## General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure that the firearm is unloaded before installing or replacing any components.
- Store the recoil spring in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the recoil spring for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms and firearm components.
- If you are uncertain about any aspect of the installation or use of this product, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Use only the SIG SAUER 320 9MM Full Size Recoil Spring with the P320 model. Using this recoil spring with other models may lead to malfunctions or safety hazards.
- Do not modify the recoil spring or any firearm components. Modifications can compromise safety and performance.
- Always wear appropriate eye protection when handling firearms.
- Avoid exposing the recoil spring to extreme temperatures, humidity, or chemicals that may cause corrosion or degradation.
- Keep the recoil spring clean and properly lubricated according to the manufacturer's recommendations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, such as a punch tool, if required for installation.

### 2. Removal of Old Recoil Spring:

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring from the slide.

### 3. Installation of New Recoil Spring:

- Take the new SIG SAUER 320 9MM Full Size Recoil Spring out of its packaging.
- Align the recoil spring with the guide rod and insert it into the slide.
- Ensure that the spring is seated properly and securely.

### 4. Reassembly:

- Reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure that the firearm operates correctly.

### 5. Usage:

- Always follow safe handling practices when using the firearm.
- Regularly check the recoil spring for proper function and signs of wear.

## **Disposal Instructions**

- Dispose of old recoil springs and any other firearm components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIG SAUER 320 9MM Full Size Recoil Spring, please refer to the manufacturer's website or contact a qualified gunsmith. Always ensure that you have access to professional support when needed.

By following these safety instructions, you can help ensure a safe and effective use of your SIG SAUER 320 9MM Full Size Recoil Spring. Thank you for prioritizing safety and compliance with relevant regulations.
