Replacement Scale Pan Safety Instructions

Introduction

Thank you for choosing the Replacement Scale Pan for RCBS Scales. This product is designed to enhance your weighing experience with RCBS® 502, 505, and 1010 scales. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the scale pan is compatible with your specific RCBS scale model before use.
- Always handle the scale pan with care to avoid damage or injury.
- Keep the scale pan out of reach of children and vulnerable individuals.
- Regularly inspect the scale pan for any signs of wear or damage before use.
- Do not use the scale pan if it is damaged or shows signs of wear.
- Follow all local regulations regarding the disposal of materials.

Specific Safety Precautions for Use

- Use the scale pan only for its intended purpose, which is weighing powder and similar materials.
- Avoid exposing the scale pan to extreme temperatures or direct sunlight for extended periods.
- Do not overload the scale pan beyond the manufacturer's recommended weight limits.
- Ensure that the scale is placed on a stable and level surface before use.
- Do not use any harsh chemicals or abrasive materials for cleaning the scale pan.
- Always ensure that the scale pan is securely attached to the scale before weighing.

Instructions for Installation and Usage

1. Installation:

- Remove any existing scale pan from your RCBS scale.
- Align the replacement scale pan with the scale's mounting points.
- Gently press down until the scale pan is securely attached.

2. Usage:

- Turn on your RCBS scale and allow it to calibrate if necessary.
- Place the replacement scale pan on the weighing platform.
- Ensure that the scale is zeroed before adding any material to the pan.
- Carefully add the material you wish to weigh into the scale pan.
- Read the weight displayed on the scale and record it as needed.
- After use, remove the scale pan and clean it as per the cleaning instructions.

Disposal Instructions

- Dispose of the scale pan in accordance with local waste disposal regulations.
- If the scale pan is damaged, check if it can be recycled or must be disposed of as general waste.
- Do not throw the scale pan into regular household waste if it is made from recyclable materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's website or contact their customer support. Ensure that you have your product details and any relevant information ready

for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
