

RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 416 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

Introduction

Thank you for choosing the Sinclair International 416 Caliber Rifle Bronze Bore Brush. This product is designed to help you maintain the cleanliness and performance of your rifle. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Ensure that the rifle is unloaded before using the bore brush.
- Keep the bore brush out of reach of children and pets.
- Inspect the bore brush for any damage before use. Do not use if damaged.
- Use personal protective equipment (PPE) such as gloves and safety glasses when handling cleaning products.

Specific Safety Precautions for Use

- Do not use the bore brush with excessive force, as this may damage the barrel.
- Avoid using the bore brush on hot barrels. Allow the barrel to cool before cleaning.
- Ensure that the bore brush is compatible with your rifle caliber to prevent improper cleaning.
- Do not use the bore brush in a wet environment to avoid slipping and accidents.
- Store the bore brush in a dry, cool place when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your rifle is in a safe and stable position.
- Confirm that the rifle is completely unloaded.

2. Attaching the Bore Brush:

- Select the appropriate cleaning rod that fits your bore brush.
- Attach the bore brush securely to the cleaning rod.

3. Cleaning the Barrel:

- Insert the bore brush into the barrel from the chamber end.
- Gently push the bore brush through the barrel, applying light pressure.
- Pull the bore brush back out of the barrel to remove debris. Repeat as necessary.
- After cleaning, inspect the bore for any remaining residue.

4. PostCleaning:

- Clean the bore brush with a suitable solvent and allow it to dry.
- Store the bore brush in its designated location.

Disposal Instructions

- Dispose of any cleaning materials and products according to local regulations.

- Do not dispose of the bore brush in regular household waste if it is damaged. Check for local recycling programs.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's official website or customer service.

By following this safety instruction guide, you can ensure a safe and effective cleaning experience with your Sinclair International 416 Caliber Rifle Bronze Bore Brush. Thank you for prioritizing safety!
