

SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 50 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 50 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000103

Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

Introduction

Thank you for choosing the SINCLAIR NYLON RIFLE BRUSH. This guide provides important safety instructions and usage information to ensure safe and effective use of the product. Please read this guide carefully before using the brush.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning rifle bores.
- Always handle the brush with care to avoid injury.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush regularly for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the brush only on firearms designed for .50 caliber (.510) bores.
- Do not use the brush with excessive force, as this may damage both the brush and the firearm.
- Avoid using the brush with cleaners that contain ammonia or oil, which can damage the bristles.
- Always follow the manufacturer's instructions regarding the use of cleaning solvents and tools.
- Wear appropriate safety gear, such as gloves and eye protection, when cleaning firearms.

Instructions for Installation and Usage

- Before using the brush, ensure that the firearm is unloaded and pointed in a safe direction.
- Attach the brush to a cleaning rod with an 832 male thread, ensuring a secure fit.
- Insert the brush into the bore of the rifle, ensuring that it is aligned properly.
- Gently pull the brush through the bore, using a backandforth motion to scrub the interior.
- After use, clean the brush with warm water to remove any residue, and allow it to dry completely.
- Store the brush in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the brush responsibly in accordance with local regulations.
- If the brush is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the SINCLAIR NYLON RIFLE BRUSH, please refer to the manufacturer's website or contact the customer support team of SINCLAIR INTERNATIONAL for assistance.

Thank you for your attention to these safety instructions. Enjoy using your SINCLAIR NYLON RIFLE BRUSH safely and effectively!
