

SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 35 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 35 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000105

Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

Introduction

Thank you for choosing the SINCLAIR NYLON RIFLE BRUSH. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before use.

General Safety Guidelines

- Always ensure that the rifle is unloaded and pointed in a safe direction before cleaning.
- Keep the brush and all cleaning supplies out of reach of children and vulnerable individuals.
- Inspect the brush for damage before each use. Do not use if it shows signs of wear or damage.
- Use the brush only for its intended purpose, which is cleaning rifle bores.
- Store the brush in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Inhalation of bristles: Avoid breathing in bristles that may come loose during use.
- Eye injury: Use safety goggles to protect your eyes from debris.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE) such as gloves and goggles when using the brush.
- Do not use excessive force when scrubbing to prevent damage to the bore or the brush.
- Ensure that your cleaning area is wellventilated to avoid inhaling fumes from cleaners.

Instructions for Installation and Usage

- **Installation:**

1. Attach the brush to a cleaning rod with an 832 male thread.
2. Ensure that the brush is securely fastened before use to prevent it from detaching during cleaning.

- **Usage:**

1. Apply a suitable bore cleaner to the brush.
2. Insert the brush into the rifle bore gently.
3. Scrub the bore using a backandforth motion, ensuring that you cover the entire length of the bore.
4. After cleaning, remove the brush and clean it with water or a suitable solvent if necessary.
5. Store the brush in its original packaging or a safe location after use.

Disposal Instructions

- Dispose of the brush responsibly. If the brush is damaged or worn out, place it in a waste container that complies with local waste disposal regulations.
- Do not dispose of the brush in a manner that could harm the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SINCLAIR NYLON RIFLE BRUSH, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SINCLAIR NYLON RIFLE BRUSH. Always prioritize safety and keep informed about any updates or recalls related to your product. Thank you for your attention to these important safety guidelines.
