

# SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 6.5MM/25 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

## Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 6.5MM/25 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000112

# Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

## Introduction

Thank you for choosing the SINCLAIR NYLON RIFLE BRUSH. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire document carefully before using the brush.

## General Safety Guidelines

- Always use the brush in accordance with the manufacturer's instructions.
- Ensure that the brush is suitable for the caliber of your firearm.
- Keep the brush out of reach of children and vulnerable individuals.
- Regularly inspect the brush for wear and damage before each use.
- Do not use the brush if it shows signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the brush only for its intended purpose, which is to clean rifle bores.
- Do not use the brush with excessive force, as this can damage both the brush and the firearm.
- Avoid using the brush with ammonia or oilbased cleaners that could harm the bristles.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Always wear appropriate eye protection when cleaning firearms.
- Follow the manufacturer's recommendations for cleaning frequency.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including the SINCLAIR NYLON RIFLE BRUSH, cleaning solvent, and a cleaning rod.

### 2. Installation:

- Attach the brush to the cleaning rod using the standard 832 male thread.
- Ensure the connection is secure to prevent the brush from detaching during use.

### 3. Usage:

- Apply a suitable cleaning solvent to the brush.
- Insert the brush into the bore of the rifle gently.
- Use a backandforth motion to scrub the bore, ensuring that the brush reaches the entire length of the barrel.
- Remove the brush from the bore and clean it with a solvent after use.
- Inspect the brush for any wear or damage before storing.

## **Disposal Instructions**

- Dispose of the brush in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged.
- Check with local waste management for proper disposal methods for cleaning tools.

## **Contact Information for Further Support**

For any questions or concerns regarding the SINCLAIR NYLON RIFLE BRUSH, please reach out to the manufacturer's customer support. Ensure you have the product information ready for reference.

By following this safety instruction guide, you can ensure a safe and effective cleaning experience with your SINCLAIR NYLON RIFLE BRUSH. Always prioritize safety and proper usage to maintain the integrity of your firearm and the brush itself.
