

# RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 25 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

# Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

## Introduction

Thank you for choosing the RIFLE BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the bore brush before use for any signs of damage or wear.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls or safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the bore brush only with firearms that match the specified caliber (25 Caliber / .257).
- Always wear appropriate eye protection when cleaning firearms.
- Ensure the firearm is unloaded before using the bore brush.
- Do not use excessive force when scrubbing to avoid damaging the barrel.
- Store the bore brush in a safe, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

### 2. Attaching the Bore Brush:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the closed loop on the end of the brush is properly fastened to prevent detachment during use.

### 3. Cleaning Procedure:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the bore brush into the barrel from the chamber end (if applicable) and push it through the bore.
- Use a smooth, steady motion to scrub the barrel. Do not force the brush.
- Pull the brush back out of the barrel carefully.
- Repeat the process as necessary to achieve a clean barrel.

### 4. PostCleaning:

- After cleaning, inspect the bore brush for any damage.
- Clean the bore brush with solvent and allow it to dry before storage.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations.
- If the bore brush is damaged or worn out, do not attempt to use it; dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RIFLE BRONZE BORE BRUSH, please contact the manufacturer or your local distributor. Ensure that you have the product information ready for faster assistance.

This safety instruction guide is designed to help you use the RIFLE BRONZE BORE BRUSH safely and effectively. Adhering to these guidelines will enhance your experience while ensuring compliance with safety regulations. Thank you for prioritizing safety in your firearm maintenance.
