

# **SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 7MM/270 CALIBER, 8-32M**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

## **Attributes**

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 7MM/270 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000116
- Mfr. No.: 01728
- Caliber: 284/7 mm (.284), 270/6.8 mm (.277)
- Delivery weight: 0.009kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm

# Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

## Introduction

Thank you for choosing the Sinclair Nylon Rifle Brush. This product is designed to provide effective cleaning for your rifle's bore. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the brush for wear or damage before each use. Do not use if damaged.
- Use only compatible cleaning solutions as specified in the product description.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before using the brush.
- Avoid using excessive force while scrubbing to prevent damage to the barrel.
- Do not use the brush with ammonia or oilbased cleaners that are not compatible with nylon.
- Store the brush in a dry place to prevent degradation of the bristles.
- Do not leave the brush in contact with cleaning solvents for extended periods.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your rifle is completely unloaded and safe to handle.
- Gather all necessary cleaning supplies, including the Sinclair Nylon Rifle Brush and a compatible cleaning solution.

### 2. Installation:

- Attach the nylon brush to a cleaning rod with an 832 male thread (unless using the 17 caliber or 20 caliber brushes, which may differ).
- Ensure that the brush is securely attached to prevent detachment during use.

### 3. Usage:

- Insert the brush into the rifle's bore from the chamber end.
- Gently push the brush through the bore, using a smooth, steady motion.
- Pull the brush back out of the bore, ensuring that it does not get stuck.
- Repeat the scrubbing motion as necessary, depending on the level of fouling in the barrel.
- After cleaning, remove the brush and clean it with a compatible solvent if necessary.

### 4. PostUse Care:

- Rinse the brush with water to remove any cleaning solution residue.
- Allow the brush to air dry completely before storing.
- Store the brush in a protective case or holder to prevent damage.

## Disposal Instructions

- Dispose of the brush in accordance with local regulations regarding plastic waste.
- Do not dispose of the product in household waste if it can be recycled.
- Check local recycling guidelines to ensure proper disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Sinclair Nylon Rifle Brush, please consult the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your Sinclair Nylon Rifle Brush. Thank you for your attention to safety.
