

# SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 30 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

## Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 30 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000123

# Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

## Introduction

Thank you for choosing the SINCLAIR NYLON RIFLE BRUSH. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective performance of the product. Please read this document carefully before using the brush.

## General Safety Guidelines

- Ensure safe use of the SINCLAIR NYLON RIFLE BRUSH in accordance with the EU General Product Safety Regulation (GPSR).
- Be aware of potential hazards associated with the use of cleaning brushes.
- Always supervise children when using this product, as it is not designed for use by individuals under the age of 18.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the brush according to the manufacturer's instructions to avoid damage to your firearm.
- Inspect the brush for any signs of wear or damage before each use. Do not use if the bristles are frayed or missing.
- Avoid using excessive force while cleaning to prevent damage to the barrel.
- Do not use the brush with harsh chemicals that are not recommended for nylon materials.
- Keep the brush out of reach of children when not in use.
- Store the brush in a dry place to prevent deterioration.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded before cleaning.
- Gather all necessary cleaning supplies, including the SINCLAIR NYLON RIFLE BRUSH and appropriate cleaning solutions.

### 2. Using the Brush:

- Attach the brush to a cleaning rod with an 832 male thread.
- Insert the brush into the barrel from the chamber end (if applicable) or the muzzle end.
- Rotate the brush gently while pushing it through the barrel to ensure thorough cleaning.
- Repeat the process as necessary, depending on the level of fouling in the barrel.
- After use, clean the brush with warm soapy water and allow it to dry completely before storage.

### 3. PostCleaning:

- After cleaning, inspect the barrel for any remaining debris.
- Apply a light coat of oil to protect the barrel from rust, if applicable.

## **Disposal Instructions**

- Dispose of the SINCLAIR NYLON RIFLE BRUSH responsibly. Do not throw it in regular household waste.
- Check local regulations for disposal of cleaning materials and chemicals to ensure compliance with environmental safety standards.

## **Contact Information for Further Support**

For any questions, concerns, or additional information regarding the SINCLAIR NYLON RIFLE BRUSH, please refer to the manufacturer's website or contact their customer service.

Thank you for prioritizing safety in your cleaning practices. Enjoy using your SINCLAIR NYLON RIFLE BRUSH responsibly!
