

# RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 6MM, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

## Attributes

# Safety Instruction Guide for RIFLE BRONZE BORE BRUSH

## Introduction

Thank you for choosing the RIFLE BRONZE BORE BRUSH from Sinclair International. This guide provides essential safety instructions and guidelines to ensure the safe use of your bore brush. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose, which is to clean rifle barrels.
- Always handle the bore brush with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and safety.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when cleaning your rifle.
- Ensure that the firearm is unloaded before using the bore brush.
- Avoid using excessive force when scrubbing to prevent damage to the barrel.
- Do not use the bore brush with any cleaning solvents that are not recommended by the firearm manufacturer.
- Store the bore brush in a safe, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure that the closed loop on the end of the bore brush is properly connected to the cleaning rod.

### 3. Usage:

- Insert the bore brush into the barrel from the chamber end, if applicable.
- Use a backandforth motion to scrub the barrel gently.
- Do not force the brush; let it do the work.
- After scrubbing, remove the bore brush and clean the barrel with a cleaning patch soaked in solvent.
- Repeat the process as necessary until the barrel is clean.

### 4. PostUsage:

- Clean the bore brush with a solvent to remove any debris.
- Store the bore brush in its original packaging or a safe container.

## **Disposal Instructions**

- Dispose of the bore brush according to local regulations for household waste.
- Do not dispose of the bore brush in a manner that could cause environmental harm.

## **Contact Information for Further Support**

For safety inquiries or further information regarding the RIFLE BRONZE BORE BRUSH, please contact your local distributor or the manufacturer directly. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure the safe and effective use of your RIFLE BRONZE BORE BRUSH. Thank you for prioritizing safety and responsible firearm maintenance.
