

SINCLAIR NYLON RIFLE BRUSH - SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 20 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifle's bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON RIFLE BORE BRUSH, 20 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000138

Safety Instruction Guide for SINCLAIR NYLON RIFLE BRUSH

Introduction

Thank you for choosing the SINCLAIR NYLON RIFLE BRUSH. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document thoroughly before using the product.

General Safety Guidelines

- Ensure safe handling and use of the SINCLAIR NYLON RIFLE BRUSH.
- Be aware of potential hazards associated with improper use.
- Follow all instructions for safe operation and maintenance.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety notices on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the brush before use to ensure it is in good condition.
- Do not use the brush if it shows signs of wear or damage.
- Avoid using excessive force when cleaning to prevent damage to the barrel or the brush.
- Use the brush only for its intended purpose: cleaning rifle barrels.
- Do not use the brush with abrasive cleaners or solvents that may damage the bristles.
- Store the brush in a dry place away from heat sources and direct sunlight.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including the SINCLAIR NYLON RIFLE BRUSH and a suitable cleaning solvent.

2. Installation:

- Attach the brush to a cleaning rod with an 832 male thread.
- Ensure the brush is securely fastened to prevent detachment during use.

3. Usage:

- Apply a suitable cleaning solvent to the brush.
- Insert the brush into the rifle barrel gently.
- Use a smooth, backandforth motion to scrub the barrel.
- Avoid using excessive pressure; let the stiff bristles do the work.
- After cleaning, remove the brush from the barrel and clean it with a suitable solvent if necessary.

4. PostUsage Care:

- After use, clean the brush with warm water and mild soap to remove any residue.
- Rinse thoroughly and allow to dry completely before storing.

Disposal Instructions

- Dispose of the SINCLAIR NYLON RIFLE BRUSH in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or worn out.
- Check for recycling options in your area, particularly for synthetic materials.

Contact Information for Further Support

For any inquiries or concerns regarding the SINCLAIR NYLON RIFLE BRUSH, please refer to the product packaging or visit the manufacturer's website for support and additional resources.

Thank you for adhering to these safety instructions. Your safety is our priority. Enjoy using your SINCLAIR NYLON RIFLE BRUSH responsibly and effectively.
