

# RIFLE BRONZE BORE BRUSH - SINCLAIR INTERNATIONAL BRONZE RIFLE BORE BRUSH, 20 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel.

# Safety Instruction Guide for RIFLE BRONZE BORE BRUSH SINCLAIR INTERNATIONAL 20 CALIBER

## Introduction

Thank you for choosing the Sinclair International 20 Caliber Rifle Bronze Bore Brush. This product is designed to clean and maintain your rifle's barrel effectively. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the bore brush with care to avoid injury.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for signs of wear or damage before use.
- If the bore brush is damaged, discontinue use immediately.
- Store the bore brush in a dry place to prevent rust and deterioration.

## Specific Safety Precautions for Use

- Always wear protective eyewear when using the bore brush to prevent debris from entering your eyes.
- Do not use the bore brush on a hot barrel; allow the barrel to cool before cleaning.
- Use the bore brush in a wellventilated area to avoid inhaling any harmful substances.
- Avoid using excessive force when scrubbing the barrel to prevent damage.
- Ensure that the bore brush is compatible with your rifle's caliber before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

### 2. Installation:

- Attach the bore brush to a cleaning rod, ensuring a secure fit.
- Confirm that the bore brush is appropriate for your rifle's caliber (20 Caliber / .204).

### 3. Usage:

- Apply cleaning solvent to the bore brush.
- Insert the bore brush into the rifle's barrel from the chamber end.
- Gently scrub the barrel in a backandforth motion, using consistent pressure.
- Remove the bore brush and clean it after each use to maintain its effectiveness.

### 4. PostCleaning:

- Inspect the barrel for any remaining debris.
- Wipe down the bore brush with a clean cloth and store it properly.
- Dispose of any used cleaning solvents according to local regulations.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local waste management regulations.
- If the bore brush is no longer usable, consider recycling materials where possible.
- Do not dispose of the bore brush in fire or water bodies.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer or your local distributor. Ensure that you have the product information available for reference.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair International 20 Caliber Rifle Bronze Bore Brush. Thank you for your attention to safety.
