

# BORE MOPS - DEWEY 30 CALIBER 8-32M BORE MOP

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Our bore mops are 100% cotton with solid brass twists and cores. These mops are used to apply solvents or rust preventative agents to the bore. They can also be used to remove excess solvents in lieu of using several patches. We clean our mops and reuse them several times. The larger sizes are great for cleaning chambers.

## Attributes

- Name: [DEWEY 30 CALIBER 8-32M BORE MOP](#)
- Manufacturer: [DEWEY](#)

# Safety Instruction Guide for BORE MOPS DEWEY 30 CALIBER 832M BORE MOP

## Introduction

Thank you for choosing the BORE MOPS DEWEY 30 CALIBER 832M BORE MOP. This product is designed for safe and effective cleaning of firearm bores. Please read this safety instruction guide carefully to ensure proper use and maintenance, and to understand the safety measures you should take.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with the use of bore mops.
- Regularly check for updates and recalls regarding this product on the EU Safety Gate platform.
- Use this product only for its intended purpose as described in this guide.
- Keep out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Always inspect the bore mop for any damage or wear before use. Do not use if damaged.
- Do not apply solvents or rust preventative agents in enclosed spaces without proper ventilation.
- Avoid contact with eyes and skin when using solvents.
- Store the bore mop in a dry place away from direct sunlight and moisture.
- Dispose of used solvents and mops according to local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including your bore mop, solvents, and protective gear (gloves, goggles).
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Using the Bore Mop:

- Attach the bore mop to a cleaning rod with an 832M thread.
- Dip the bore mop in the solvent, ensuring it is adequately saturated but not dripping.
- Insert the bore mop into the firearm's bore and pull it through gently.
- Repeat the process as necessary to clean the bore thoroughly.
- After use, clean the bore mop with warm water and allow it to dry for reuse.

### 3. PostUsage Care:

- Store the bore mop in a clean, dry location.
- Regularly check the bore mop for signs of wear and replace as needed.

## Disposal Instructions

- Dispose of used bore mops and solvents in accordance with local waste management regulations.
- Do not dispose of solvents down the drain or in regular trash.
- Check with local authorities for specific disposal guidelines for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact details provided on the packaging or the product insert.

By following these guidelines, you can ensure a safe and effective cleaning experience with your BORE MOPS DEWEY 30 CALIBER 832M BORE MOP. Thank you for prioritizing safety and responsible usage.
