

AR-15/308 AR LUG RECESS CLEANING TOOL - SINCLAIR INTERNATIONAL LUG RECESS COTTON ROLLS, 50 PACK

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Cleaning Kit Accessories](#)

This one of a kind tool is used to clean the lug recess area on the AR-15 and 308 AR rifles. The lug recess area collects a lot of grease and debris and needs to be cleaned regularly. This tool compresses a cotton roll and then releases it so you can rotate it inside the lug recess area. Should be used wet with solvent, then followed up with a dry roll. One bag of cotton rolls, about 50, is included with each tool.

Safety Instruction Guide for AR15/308 AR Lug Recess Cleaning Tool

Introduction

Thank you for choosing the AR15/308 AR Lug Recess Cleaning Tool from Sinclair International. This unique tool is designed to help you maintain the lug recess area of your AR15 and 308 AR rifles, ensuring optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the cleaning area is wellventilated when using solvents.
- Keep the cleaning tool and cotton rolls out of reach of children and pets.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Dispose of used cotton rolls properly to avoid fire hazards.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the tool only for its intended purpose: cleaning the lug recess area of AR15 and 308 AR rifles.
- Always use the tool with solvent to ensure effective cleaning. Avoid using it dry.
- Do not force the tool into the lug recess area; it should fit comfortably.
- Avoid prolonged exposure to solvents. Use gloves if necessary.
- Do not use the tool if you are under the influence of drugs or alcohol.
- Follow all local regulations regarding the disposal of cleaning solvents and materials.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: the AR Lug Recess Cleaning Tool, cotton rolls, and your preferred cleaning solvent.
- Ensure that your rifle is unloaded and in a safe position.

2. Loading the Cotton Roll:

- Take a cotton roll from the package.
- Insert the cotton roll into the tool's compression chamber.
- Compress the cotton roll using the tool's mechanism.

3. Applying Solvent:

- Dampen the cotton roll with your chosen solvent.
- Ensure that the cotton roll is wet but not dripping, to prevent excess solvent from entering the rifle.

4. Cleaning Process:

- Gently insert the tool into the lug recess area of the rifle.
- Rotate the tool slowly to allow the cotton roll to clean the surfaces effectively.
- After cleaning, remove the tool and inspect the cotton roll for debris.

5. Finishing Up:

- Once the lug recess area is clean, use a dry cotton roll to remove any remaining solvent.
- Dispose of used cotton rolls in accordance with local regulations.
- Store the cleaning tool in a safe, dry place.

Disposal Instructions

- Dispose of used cotton rolls and cleaning solvents according to local waste management regulations.
- Do not dispose of cleaning materials in regular household waste. Check for hazardous waste disposal options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the AR15/308 AR Lug Recess Cleaning Tool, please refer to the manufacturer's contact information provided on the packaging or visit their official website for further assistance.

Thank you for your attention to these safety guidelines. Proper use and maintenance of your cleaning tool will help ensure a safe and effective cleaning experience.
