

# CLEANING ROD STOPS - SINCLAIR INTERNATIONAL CLEANING ROD STOP - X-LARGE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Stops](#)

Great for short stroke cleaning applications when using J-B Bore Cleaner and other paste type cleaners. The stops prevent patches from coming out at the muzzle. Many shooters use them when treating a barrel with a bore conditioner. Three sizes available to fit Dewey and most other cleaning rods. Small stop fits 22-6.5mm caliber rods and the X-Large stops fits 35 caliber rods.

# CLEANING ROD STOP XLARGE Safety Instruction Guide

## Introduction

Thank you for choosing the CLEANING ROD STOP XLARGE by Sinclair International. This product is designed to enhance your cleaning experience by preventing patches from exiting the muzzle during short stroke cleaning applications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the CLEANING ROD STOP in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific cleaning rod size and caliber.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the CLEANING ROD STOP for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended caliber limits for the XLARGE stop, which is designed for 35 caliber rods.
- Avoid using the CLEANING ROD STOP with incompatible cleaning rods, as this may lead to improper function or damage.
- Ensure that the cleaning rod is securely attached to the CLEANING ROD STOP before use.
- Use the product in a wellventilated area, especially when using pastetype cleaners like JB Bore Cleaner.
- Follow the manufacturer's guidelines for the use of bore conditioners and cleaners to prevent chemical exposure.

## Instructions for Installation and Usage

### 1. Selecting the Right Size:

- Ensure you have the correct size for your cleaning rod. The XLARGE stop is suitable for 35 caliber rods.

### 2. Installation:

- Firmly attach the CLEANING ROD STOP to the end of your cleaning rod.
- Ensure that it is securely fastened to prevent it from dislodging during use.

### 3. Using the Product:

- Insert the cleaning rod with the attached CLEANING ROD STOP into the barrel.
- Apply your preferred bore cleaner or conditioner according to the manufacturer's instructions.
- Use a short stroke motion to clean the barrel, ensuring that the CLEANING ROD STOP prevents patches from exiting the muzzle.

### 4. PostUse Care:

- After cleaning, remove the CLEANING ROD STOP from the cleaning rod.
- Clean the CLEANING ROD STOP according to the manufacturer's recommendations to maintain its effectiveness.

## **Disposal Instructions**

- Dispose of the CLEANING ROD STOP in accordance with local regulations.
- Do not dispose of the product in household waste unless permitted by local guidelines.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the CLEANING ROD STOP XLARGE, please contact the manufacturer or refer to the product packaging for additional support resources.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your cleaning experience!
