SINCLAIR SIGHT/YARDAGE LABELS Safety Instruction Guide

Introduction

Thank you for choosing the SINCLAIR SIGHT/YARDAGE LABELS. This guide provides important safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the labels.

General Safety Guidelines

- Ensure that the product is used as intended and according to the instructions provided.
- Keep the labels out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the labels for any signs of damage or degradation before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed on product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid placing labels in environments with extreme temperatures or humidity, as this may affect their adhesion and readability.
- Do not use the labels on surfaces that are not clean and dry, as this may prevent proper adhesion.
- Ensure that the labels are applied to a stable and secure surface to avoid them peeling off during use.
- If you experience any allergic reactions or skin irritation from handling the labels, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface where the label will be applied to ensure it is free from dust, grease, or moisture.
- Allow the surface to dry completely before proceeding.

2. Application:

- Carefully peel the label from the backing paper.
- Align the label with the desired area on the surface.
- Firmly press the label onto the surface, starting from the center and moving outward to remove any air bubbles.

3. PostApplication:

- Allow the label to set for at least 24 hours before exposing it to moisture or heavy handling.
- Check the adhesion of the label after a day of application to ensure it is securely in place.

Disposal Instructions

- Dispose of any unused or damaged labels in accordance with local waste disposal regulations.
- Do not dispose of labels in recycling bins unless specified, as they may not be recyclable.
- Keep packaging materials away from children and dispose of them responsibly.
