

# PARKER HALE STYLE JAGS - DEWEY 22 CAL PARKER HALE JAG (FEMALE THREAD)

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

These jags are wrap style jags with a blunt nose. Jags grip patches tightly. Great for use with J-B or when applying solvent such as Sweet's. Parker Hale style jags are available with male or female threads. Male or Female threads match standard threads for the bore diameter selected. Female style mate with Dewey coated rods. Male style mate with Dewey stainless and other brands with standard cleaning rod threads.

# Safety Instruction Guide for Parker Hale Style Jags Dewey 22 Cal

## Introduction

Thank you for choosing the Parker Hale Style Jags Dewey 22 Cal. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the jags.

## General Safety Guidelines

- Ensure that the jags are used only for their intended purpose, which is to clean firearms.
- Always handle firearms in a safe manner and follow all applicable laws and regulations.
- Keep the jags out of reach of children and unauthorized individuals.
- Regularly inspect the jags for any signs of wear or damage before use.
- Follow all safety instructions provided by the firearm manufacturer.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Use the jags with appropriate cleaning patches that fit securely.
- Do not force the jags into the bore; this may cause damage to the firearm.
- Avoid using excessive force when cleaning to prevent injury or damage.
- When applying solvents, ensure that the area is wellventilated to avoid inhalation of harmful fumes.
- Store the jags in a cool, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Selecting the Right Jag:

- Choose the correct caliber jag (22 Cal) for your firearm.
- Confirm whether you need a male or female threaded jag based on your cleaning rod.

### 2. Attaching the Jag:

- If using a female threaded jag, ensure it is securely attached to Dewey coated rods.
- If using a male threaded jag, ensure it is securely attached to Dewey stainless rods or other brands with standard cleaning rod threads.

### 3. Using the Jag:

- Insert the cleaning patch onto the jag.
- Gently push the jag into the bore of the firearm.
- Rotate the jag while pulling it through to effectively clean the bore.
- Repeat the process as necessary, using fresh patches and solvent as needed.

### 4. PostCleaning:

- After cleaning, ensure that all cleaning materials are removed from the bore.
- Wipe down the jag with a clean cloth and store it properly.

## Disposal Instructions

- Dispose of any used cleaning patches, solvents, or chemicals in accordance with local regulations.
- Do not dispose of the jags in regular household waste if they are damaged or no longer usable; check for appropriate disposal options in your area.

## Contact Information for Further Support

For safety inquiries or support regarding the Parker Hale Style Jags Dewey 22 Cal, please reach out to the designated EU-based contact point associated with this product. For further information on product safety, you can also refer to the EU's Safety Gate platform for updates on recalls and unsafe products.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with the Parker Hale Style Jags Dewey 22 Cal. Remember to always prioritize safety and compliance with relevant regulations. Thank you for your attention to these important safety measures.
