# LOCKNLOAD MODIFIED CASES 416 REMINGTON MAGNUM MODIFIED CASE Safety Instructions

## Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 416 REMINGTON MAGNUM MODIFIED CASE. This product is designed for use with the Hornady LockNLoad Gauge, providing precision and efficiency in your reloading process. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle reloading equipment and components with care.
- Ensure that you are using the correct modified case for your specific gauge and cartridge.
- Keep modified cases out of reach of children and unauthorized users.
- Regularly inspect your modified cases for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

## Specific Safety Precautions for Use

- **Compatibility:** Modified cases are not suitable for tight neck chambers. Ensure compatibility before use.
- **Custom Cartridges:** If your desired cartridge is not listed, contact Hornady for custom cartridge options.
- **Safe Handling:** Always wear safety glasses when handling modified cases to protect your eyes from debris.
- **Proper Storage:** Store modified cases in a cool, dry place to prevent deterioration.
- **Avoid Overloading:** Do not exceed recommended loads when using modified cases to prevent accidents.

## Instructions for Installation and Usage

1. **Check Compatibility:** Ensure that the modified case is compatible with your Hornady LockNLoad Gauge and your specific cartridge (416 Remington Magnum).
2. **Inspect the Modified Case:** Before installation, inspect the modified case for any signs of damage or wear.
3. **Installation:**
  - Insert the modified case into the Hornady LockNLoad Gauge according to the manufacturer's instructions.
  - Ensure it is securely in place before proceeding with any measurements.
4. **Usage:**
  - Follow the instructions provided with the Hornady LockNLoad Gauge for accurate measurement and bullet seating.
  - Make adjustments as necessary based on your measurements and the specifications of your reloading project.
5. **PostUse Inspection:** After using the modified case, inspect it again for any signs of wear or damage and clean it as necessary.

## Disposal Instructions

- Dispose of modified cases in accordance with local regulations.
- Do not throw modified cases in regular household waste. Instead, consider recycling options or designated disposal facilities for reloading components.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the LOCKNLOAD MODIFIED CASES 416 REMINGTON MAGNUM MODIFIED CASE, please refer to the contact information provided by the manufacturer or visit their official website.

By following these guidelines and instructions, you can ensure safe and effective use of the LOCKNLOAD MODIFIED CASES 416 REMINGTON MAGNUM MODIFIED CASE. Thank you for prioritizing safety in your reloading practices.
