Introduction

Thank you for choosing the Redding Trimmer Pilot/338 Caliber. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to avoid any hazards and ensure optimal performance.

General Safety Guidelines

- Always read the product manual before use.
- Ensure the workspace is clean and free from clutter.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Wear appropriate protective gear, such as safety glasses and gloves, when operating the trimmer.
- Follow all local regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Ensure the trimmer is securely mounted before use to prevent movement.
- Do not attempt to modify the trimmer in any way.
- Avoid wearing loose clothing or jewelry that may become entangled in the equipment.
- Be cautious of sharp edges and moving parts when operating the trimmer.
- Always keep hands and other body parts away from the cutting area when in operation.
- If the trimmer becomes jammed, turn off the power and unplug it before attempting to clear the jam.
- Do not leave the trimmer unattended while it is in operation.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and flat surface for installation.
- Secure the trimmer pilot in the trimmer base according to the manufacturer's instructions.
- Ensure that all screws and fittings are tightened properly to avoid any movement during use.

2. Usage:

- Before using the trimmer pilot, ensure that the case to be trimmed is clean and free from debris.
- Insert the case into the trimmer pilot, ensuring it is positioned correctly.
- Activate the trimmer according to the manufacturer's guidelines.
- Monitor the trimming process closely and be ready to stop the operation if any issues arise.
- Once trimming is complete, turn off the trimmer and unplug it from the power source.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trimmer pilot in regular household waste.
- Consider recycling options where available.
