# Safety Instruction Guide for RCBS Case Trimmer Pilot 20 Cal

## Introduction

Thank you for choosing the RCBS Case Trimmer Pilot 20 Cal. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when operating the trimmer.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a dry and secure location when not in use.
- Follow all local regulations regarding the use and disposal of trimming equipment.

## Specific Safety Precautions for Use

- **Hazard Awareness:**

- Be aware of sharp edges and moving parts that can cause injury.
- Ensure that the work area is clean and free of clutter to avoid accidents.

- **Pilot Insertion:**

- Use caution when guiding the pilot into the case mouth to prevent injury.
- Do not force the pilot into the case. If resistance is felt, stop and check for misalignment.

- **Trimming Process:**

- Always keep hands and other body parts away from the cutting area during operation.
- Do not attempt to trim cases that are not compatible with the 20 Cal pilot.

- **Electrical Safety** (if using with powered trimmers):

- Ensure that all electrical connections are secure and free from damage.
- Do not operate the trimmer in wet or damp conditions.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the trimmer is unplugged (if applicable) before installation.
2. Select the appropriate collet for the 20 Cal case.
3. Insert the collet into the rotary case trimmer or manual case trimmer as per the manufacturer's instructions.
4. Attach the pilot securely to the trimmer.

- **Usage:**

1. Prepare the cases to be trimmed by cleaning them thoroughly.

2. Insert the case into the trimmer, ensuring it is securely held.
3. Align the pilot with the case mouth and gently guide it in.
4. Activate the trimmer (if powered) or manually operate the trimmer to begin the trimming process.
5. Monitor the trimming process closely and stop if any issues arise.
6. Once trimming is complete, carefully remove the case and inspect it for proper trimming.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of electrical components in regular waste. Follow local ewaste disposal guidelines.
- Ensure that all materials used in the trimming process are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the RCBS Case Trimmer Pilot 20 Cal, please refer to the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your RCBS Case Trimmer Pilot 20 Cal. Always prioritize safety and adhere to the instructions provided. Thank you for your attention and enjoy using your product responsibly.
