Safety Instruction Guide for Hodgdon Powder Funnel for 1 lb Containers

Introduction

Thank you for choosing the Hodgdon Powder Funnel for 1 lb Containers. This product is designed to help you safely and efficiently transfer powder from containers to other vessels. To ensure your safety and the proper use of this product, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Always use the funnel in a wellventilated area to avoid inhaling any powder particles.
- Keep the funnel away from children and pets to prevent accidental ingestion or injury.
- Inspect the funnel before each use for any signs of damage or wear. Do not use if damaged.
- Store the funnel in a cool, dry place away from direct sunlight and moisture.
- Follow all local regulations regarding the handling and storage of powder substances.

Specific Safety Precautions for Use

- Ensure the funnel is securely threaded onto the powder container before use to prevent spills.
- Do not force the funnel onto containers if it does not fit correctly.
- Avoid using the funnel with substances that are not intended for use with this product.
- Do not leave the funnel unattended while in use.
- If powder spills occur, clean them immediately to prevent slipping hazards.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials, including the funnel and the powder container.
- Ensure the work area is clean and free of clutter.

2. Installation

- Thread the funnel onto the wide mouth of the 1 lb powder container or Sinclair 16 oz powder bottle.
- Ensure the funnel is securely attached and there are no gaps.

3. Usage

- Hold the container with one hand and the funnel with the other.
- Pour the powder slowly into the funnel to prevent overflow or spillage.
- If storing the funnel on the bottle, ensure the cap is securely closed to prevent contamination.

4. PostUse

- After use, remove the funnel from the container.
- Clean the funnel with a dry cloth to remove any residue.
- Store the funnel in a designated area, away from moisture and heat.

Disposal Instructions

- Dispose of the funnel in accordance with local regulations.

- If the funnel is damaged beyond repair, consider recycling if facilities are available.
- Do not dispose of the funnel in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Hodgdon Powder Funnel, please refer to the product packaging or visit the manufacturer's website for additional support.

Thank you for your attention to these safety instructions. Your safety is our priority.
