

# SHOTGUN JAGS - BORE TECH SHOTGUN JAGS, 12 GA

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

These unique patch jags work extremely well for cleaning debris from your shotgun. Each jag has a hard nylon tip that is surrounded by flexible fingers that push the patch against the walls of the barrel for optimum cleaning performance. Fits all standard shotgun cleaning rods. Outstanding product! Male threaded - 5/16-27.

# Safety Instruction Guide for SHOTGUN JAGS BORE TECH SHOTGUN JAGS, 12 GA

## Introduction

Thank you for choosing the SHOTGUN JAGS BORE TECH SHOTGUN JAGS, 12 GA. This product is designed to provide effective cleaning for your shotgun. To ensure safe and efficient use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that your shotgun is unloaded before using the cleaning jags.
- Keep the cleaning jags out of reach of children and vulnerable individuals.
- Inspect the cleaning jags for any damage before use. Do not use damaged products.
- Use the product only for its intended purpose—cleaning your shotgun.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Handle the cleaning jags with care to avoid injury.
- Do not force the jags into the barrel; ensure a proper fit to prevent damage.
- Use only the recommended shotgun cleaning rods compatible with the jags.
- Avoid using excessive force, which may damage the jags or your shotgun.
- Wear protective eyewear to prevent debris from entering your eyes during the cleaning process.

## Instructions for Installation and Usage

### 1. Preparing Your Shotgun:

- Ensure your shotgun is completely unloaded.
- Remove any existing cleaning equipment from the shotgun.

### 2. Attaching the Jag:

- Select the appropriate cleaning rod for your shotgun.
- Screw the SHOTGUN JAG onto the cleaning rod using the male threaded end (5/1627).
- Ensure the jag is securely attached before proceeding.

### 3. Using the Jag:

- Select a cleaning patch suitable for your shotgun's bore size.
- Place the cleaning patch over the jag's nylon tip.
- Gently push the jag into the shotgun barrel, allowing the flexible fingers to push the patch against the barrel walls.
- Pull the jag back out of the barrel slowly to remove the patch along with any debris.

### 4. Cleaning After Use:

- Inspect the jags for any wear or damage after cleaning.
- Clean the jags with a suitable solvent and allow them to dry before storage.
- Store the jags in a dry place, away from children and pets.

## **Disposal Instructions**

- Dispose of any used cleaning patches and materials in accordance with local waste disposal regulations.
- Do not dispose of the jags in regular household waste if they are damaged. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SHOTGUN JAGS BORE TECH SHOTGUN JAGS, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety in your shotgun maintenance. Enjoy using your SHOTGUN JAGS BORE TECH SHOTGUN JAGS, 12 GA responsibly!
