# Safety Instruction Guide for Starrett Tool and Instrument Oil

## Introduction

Thank you for choosing Starrett Tool and Instrument Oil. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before using the oil.

## General Safety Guidelines

- Always store the oil in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets.
- Do not use the oil for any purpose other than its intended use.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.
- Follow local regulations for the disposal of used oil and empty containers.

## Specific Safety Precautions for Use

- Ensure proper ventilation when using the oil to avoid inhalation of fumes.
- Avoid prolonged skin contact. Wear gloves if necessary.
- Do not use near open flames or sources of ignition.
- Be cautious when using the oil on surfaces that may come into contact with food.
- Keep the product tightly sealed when not in use to prevent leaks.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the area is wellventilated.
- Gather all necessary tools and materials.

### 2. Application:

- Use the dropper bottle to apply the oil directly to the parts that require lubrication.
- Apply a small amount to avoid excess oil, which can attract dust and debris.

### 3. PostApplication:

- Wipe off any excess oil with a clean cloth.
- Allow the lubricated parts to settle for a few minutes before using the equipment or tools.

### 4. Storage:

- After use, securely close the dropper bottle.
- Store the oil upright to prevent leaks.

## Disposal Instructions

- Dispose of any unused oil and empty containers in accordance with local hazardous waste disposal regulations.
- Do not pour oil down drains or dispose of it in regular trash.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of Starrett Tool and Instrument Oil, please contact the manufacturer directly through their designated EU contact point.

By following these safety instructions, you can ensure a safe and effective experience with Starrett Tool and Instrument Oil. Thank you for your attention to these guidelines.
