

# PRIMER POCKET BRUSHES - PRIMER POCKET BRUSH LARGE

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Cleaners](#)

These stiff metal brushes from RCBS are sized and designed to remove the spent primer residue from the primer pockets after the cases have been deprimed. A couple of twists of the brush and the case is ready for a new primer. Separate brushes for large rifle/ large pistol primer pockets and small rifle/small pistol pockets. Brushes have a standard 8-32 male thread, and fit the Sinclair Accessory Handle #09331S or many other brands of handles.

# PRIMER POCKET BRUSHES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the PRIMER POCKET BRUSHES, specifically the PRIMER POCKET BRUSH LARGE from RCBS. This product is designed to safely and effectively remove spent primer residue from primer pockets after cases have been deprimed. Please read this safety instruction guide carefully to ensure proper use and to maintain safety during operation.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of damage or wear.
- Do not use the brushes for any purpose other than intended.
- If you experience any discomfort or injury while using the brushes, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that you are wearing appropriate personal protective equipment, such as safety glasses, to protect your eyes from debris.
- Use the brushes in a wellventilated area to avoid inhaling any particles that may be released during use.
- Avoid applying excessive force when using the brushes to prevent breakage and potential injury.
- Do not insert the brushes into any area other than the primer pockets of the cases.
- Always handle the brushes with care to avoid sharp edges or points that may cause injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the brush has a standard 832 male thread.
- Attach the brush to the Sinclair Accessory Handle #09331S or any compatible handle securely.

### 2. Usage:

- Hold the case firmly in one hand and the brush in the other.
- Insert the brush gently into the primer pocket.
- Twist the brush a couple of times to remove the primer residue.
- After use, remove the brush from the pocket and inspect it for any damage.
- Clean the brush after use to maintain its effectiveness.

## Disposal Instructions

- Dispose of the brushes in accordance with local regulations.
- If the brushes become damaged or worn out, they should be discarded to prevent any potential hazards.
- Do not dispose of the brushes in a manner that could harm the environment.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the PRIMER POCKET BRUSHES, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
