

# AR-15 Magazine Safety Block - SINCLAIR INTERNATIONAL AR-15 MAGAZINE SAFETY BLOCK, YELLOW

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

A safe rifle on the range is important to all shooters. This bright yellow magazine block renders all models of AR-15's safe. The solid plastic block locks into the magazine well and can't be unlocked unless the bolt is retracted. The bottom of the block protruding from the magazine will provide a visible safe weapon indication. (Does not replace flag for NRA/CMP competition.)

# AR15 Magazine Safety Block User Manual

## Introduction

Thank you for choosing the AR15 Magazine Safety Block by Sinclair International. This safety device is designed to enhance the safety of your AR15 rifle while on the range. It is vital to ensure that your firearm is rendered safe during handling and storage. This manual provides essential safety guidelines, installation instructions, and disposal information to help you use the product effectively.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure that the safety block is properly installed before handling your firearm.
- Do not attempt to remove the safety block while the bolt is in a forward position.
- Always keep the magazine well clean and free from obstructions.
- Store the safety block in a safe place, out of reach of children.
- Regularly inspect the safety block for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The safety block is designed for use with AR15 rifles only. Do not use it with other firearms.
- Ensure that the block is the correct color (yellow) and model for your AR15.
- Do not rely solely on the safety block for firearm safety; always follow standard firearm safety practices.
- Use the safety block only when the firearm is not in use and stored safely.
- Be aware that the safety block does not replace the need for a safety flag in NRA/CMP competitions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your AR15 is unloaded and the bolt is retracted.
- Insert the safety block into the magazine well of the rifle.
- Push the block firmly until it locks into place.
- Confirm that the block is securely installed and cannot be removed without retracting the bolt.

### 2. Usage:

- Always check that the safety block is in place before handling your firearm.
- The yellow color of the block should be visible from the magazine well, indicating that the rifle is safe.
- Do not attempt to fire the rifle with the safety block installed; it is intended for safety and not for use during firing.

### 3. Removal:

- To remove the safety block, ensure the bolt is retracted.
- Pull the block out of the magazine well gently.
- Store the safety block in a designated safe location when not in use.

## **Disposal Instructions**

- Dispose of the safety block in accordance with local regulations for plastic waste.
- Do not throw the safety block in regular trash if it is damaged or worn.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Magazine Safety Block, please reach out to the manufacturer or authorized dealer for assistance. Ensure to keep all safety information and guidelines readily available for reference.

Thank you for prioritizing safety while using your AR15. Your responsible handling of firearms contributes to a safer shooting environment for everyone.
