

FLIP-OPEN OBJECTIVE LENS COVERS - BUTLER CREEK OBJECTIVE LENS COVER #11 1.54" (39.1MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

Objective Lens Cover #11 1.54x1.34" (39.1x34.0mm)

Safety Instruction Guide for FLIOPEN OBJECTIVE LENS COVERS BUTLER CREEK OBJECTIVE LENS COVER #11 1.54" (39.1MM)

Introduction

Thank you for choosing the Butler Creek Objective Lens Cover #11. This product is designed to protect your scope's objective lens from dust, dirt, and damage. To ensure the safe and effective use of this product, please read this safety instruction guide carefully. It provides essential information on general safety guidelines, specific precautions, installation, usage, and disposal.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions to avoid potential hazards.
- Always inspect the lens cover for any damage before use. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental injury or misuse.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not expose the lens cover to extreme temperatures or harsh chemicals, as this may affect its integrity and performance.
- Avoid using the lens cover in situations where it may obstruct your view or create a safety hazard.
- Ensure that the lens cover is securely attached to the scope before use to prevent it from falling off during operation.
- If the lens cover becomes loose or does not fit properly, discontinue use and consult the manufacturer for guidance.

Instructions for Installation and Usage

1. Installation:

- Identify the correct size of the lens cover for your scope. This product is designed for objective lenses measuring 1.54 inches (39.1 mm).
- Align the lens cover with the objective lens, ensuring that it fits snugly.
- Gently press the lens cover onto the lens until it is securely in place.

2. Usage:

- When not in use, keep the lens cover attached to protect the lens from environmental elements.
- To remove the lens cover, gently pull it away from the lens without applying excessive force.
- Store the lens cover in a dry place when not in use to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not dispose of the lens cover in regular household waste if it is marked as recyclable. Check local recycling guidelines.
- Ensure that the product is disposed of in a manner that does not pose a risk to the environment or public health.

Contact Information for Further Support

For any questions or concerns regarding the Butler Creek Objective Lens Cover #11, please refer to the manufacturer's contact information provided on the packaging or the official website. Always ensure that you are reaching out to EU-based contacts for safety inquiries.

By following these safety instructions, you can ensure the proper use and longevity of your Butler Creek Objective Lens Cover #11. Thank you for your attention to safety and for choosing our product.
