

PRIMER POCKET UNIFORMER HANDLE - SINCLAIR INTERNATIONAL PRIMER POCKET UNIFORMER HANDLE, 8,000 SERIES

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Handles](#)

The Sinclair 8000 Series handle works great with our primer pocket uniformers. Utilizing a single set screw you can quickly change between different sizes of primer pocket uniformers. Primer pocket uniforming helps insure a consistent primer depth and squares the bottom of the primer pocket in relation to the case head.

Safety Instruction Guide for Sinclair 8000 Series Primer Pocket Uniformer Handle

Introduction

Thank you for choosing the Sinclair 8000 Series Primer Pocket Uniformer Handle. This product is designed to assist in achieving consistent primer depth and squaring the bottom of the primer pocket in relation to the case head. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this manual.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for damage or wear before use.
- Do not use the product if it is damaged or if the handle does not securely hold the primer pocket uniformer.
- Follow all local laws and regulations regarding the handling of reloading equipment.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Ensure that your work area is clean and free of clutter to prevent accidents.
- Avoid using excessive force when changing uniformers; this can lead to damage or injury.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the product.
- Do not attempt to modify or repair the product yourself. Contact a qualified professional for assistance.

Instructions for Installation and Usage

1. Installation of the Primer Pocket Uniformer:

- Ensure the handle is securely attached to the uniformer.
- Use the provided set screw to fasten the uniformer in place.
- Check that the uniformer is firmly held and does not wobble.

2. Changing Between Different Sizes of Primer Pocket Uniformers:

- Loosen the set screw using an appropriate tool.
- Carefully remove the current uniformer.
- Select the desired size of primer pocket uniformer and insert it into the handle.
- Tighten the set screw securely to hold the new uniformer in place.

3. Using the Primer Pocket Uniformer:

- Position the case head against the uniformer.
- Apply even pressure to the handle to ensure uniform pocket depth.
- Release the handle and remove the case once the operation is complete.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling components where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Sinclair 8000 Series Primer Pocket Uniformer Handle, please reach out to your local distributor or manufacturer. Ensure that you have the product details on hand for reference.

Thank you for your attention to these safety instructions. Your cooperation helps ensure a safe and effective reloading experience.
