General Safety Guidelines

- Always use the funnel in accordance with the manufacturer's instructions.
- Ensure that the funnel is clean and free from any debris before use.
- Inspect the funnel for any signs of damage or wear before each use.
- Keep the funnel out of reach of children and pets when not in use.
- If you experience any issues while using the funnel, stop using it immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Use the funnel only for its intended purpose of transferring powders.
- Avoid using the funnel with any liquids or hazardous materials.
- Do not attempt to modify or repair the funnel; any alterations may compromise its safety.
- Always work in a wellventilated area when handling powders to minimize inhalation risks.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when using the funnel.

Instructions for Installation and Usage

1. Setup:

- Place the funnel on a stable, flat surface.
- Ensure that the funnel is securely positioned to prevent spills.

2. Using the Funnel:

- Carefully pour the powder into the funnel's opening.
- Allow the powder to flow through the funnel into the desired container.
- Avoid overfilling the funnel to prevent spills.

3. PostUse:

- After use, clean the funnel with a dry cloth to remove any residual powder.
- Store the funnel in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the funnel in accordance with local regulations.
- If the funnel is damaged or no longer usable, please recycle it if possible. Check with local recycling facilities for proper disposal methods.
