Safety Instruction Guide for Redding Extended Shellholder #1

Introduction

Thank you for choosing the Redding Extended Shellholder #1. This guide provides essential safety instructions and guidelines for the proper use of this product. Please read this document carefully to ensure safe handling and usage.

General Safety Guidelines

- Always use the shellholder in accordance with the manufacturer's instructions.
- Inspect the shellholder before each use for signs of damage or wear.
- Store the shellholder in a safe, dry place away from children and pets.
- Never use the shellholder for purposes other than intended.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with your reloading equipment.
- Wear appropriate eye protection while using the shellholder.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended cartridge specifications for the shellholder.
- Use caution when trimming cases to avoid injury from sharp edges.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is turned off and unplugged before installation.
- Remove any existing shellholder from the press.
- Insert the Redding Extended Shellholder #1 into the shellholder socket of your press.
- Secure the shellholder in place according to your press's instructions.

2. Usage

- Confirm that the shellholder is properly seated and secure before use.
- Trim cases that are under 11/2" OAL using the extended shellholder.
- Follow the manufacturer's guidelines for trimming and handling cartridges.
- After use, clean the shellholder to remove any debris or residue.

Disposal Instructions

- Dispose of the shellholder responsibly at a recycling facility that accepts metal products.
- Do not dispose of the shellholder in regular household waste.
- Follow local regulations for the disposal of metal products.

Contact Information for Further Support

For any inquiries or support regarding the Redding Extended Shellholder #1, please refer to the manufacturer's website or contact their customer service department directly.

Thank you for prioritizing safety while using the Redding Extended Shellholder #1. Your adherence to these

guidelines will help ensure a safe and effective reloading experience.
